Product category Motor vehicles

Type Consumer

Product Passenger car "Zero"

Brand Tazzari

EC-type approval/model Type: 26 Versions: 01 and 02.

Product description Electric passenger car.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries because, for the affected vehicles, there is a possibility that the front suspension arm tie rod could break.

Product Passenger car "Zero"

Brand Tazzari

EC-type approval/model Type: 26 Versions: 01 and 02

Product description Electric passenger car.

Risk type Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries because, for the affected vehicles, possible overheating of the remote control switch and its connected cables on the battery power line could lead to the risk of fire and fire propagation.

Country of origin Italy

Product category Toys

Type Consumer

Product Musical toy

Brand Play & Learn

Type / number of model Ref. 27489

Batch number 8412842274891

Product description Musical toy in the form of a rocking horse with lights. Packaged in a cardboard box bearing a label showing the importer's details.

Risk type Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of choking as it may break easily, releasing small parts. In addition, the casings for electrical components are too weak, meaning that the toy may present a risk of electric shock. The product does not comply with the Toy Safety Directive and the relevant European standards EN 71 and EN 62115.

Product Toy set "Combat"

Brand Loob

Type / number of model Ref 10412

Batch number 8499690903128

Product description Combat pistol with compass, badge, goggles, etc. Description of packaging: pistol in a blister pack which states the brand, reference and barcode.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a chemical risk because the pistol, grenade, badge and goggles contain more than 0.2% by weight of di (2-ethylhexyl) phthalate (DEHP). According to the REACH Regulation phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited in toys or childcare articles that can be placed in the mouth by children.

Product Shoe dryer "Shoes Drier"

Brand WEIWEI

Type / number of model 6941757104549 WW-768

Product description Electrical shoe dryer, protection class II; Colour: orange; Metal base; Dimensions: 5.5 x 4.5 x 15 (width, height, length). Mains lead approx. 1.37 m long, with moulded Europlug.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of electric shock because: - leads with only basic insulation come into contact with accessible metal parts, - protective tubing can easily be dislodged, and - the leads are not sufficiently held in position. The product does not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 6033. In addition it does not comply with European standard EN 50075.

Batch number -

Product description The recall concerns the battery. Battery dimensions: width: 290mm, height: 75mm, Depth: 120mm (11Ah, 13.2Ah)

Risk type Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of fire because if the battery charge falls below a certain voltage (e.g. if the battery is not charged over the winter months), in certain cases there may be the danger of the battery catching fire when it is charged again. Two incidents reported. The product does not comply with the Machinery directive.

Product Mains socket outlet

Brand Lumitek

Type / number of model Model: 21324/156

Batch number 8436003113249

Product description Socket outlet for outdoor use. Description of packaging: - The product comes in individual plastic packaging with a label showing the brand and the barcode.

Risk type Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of fire because the socket holes are not elastic enough to guarantee an appropriate contact pressure on the plug. This can cause a spark which could burn the cables and lead to overheating and fire. The product does not comply with the relevant national standard UNE 20315.

Product Set of toys "Baby Concert"

Brand MYL - Ming Yu Long

Type / number of model N. 885-10, Barcode 6921501648000

Product description Set of musical toys consisting of maracas shaped rattles, a drum with two sticks and a saxophone. Packed in a transparent bag closed with a cardboard fastener. On the packaging there is a printed logo indicating the age limit of the toy: "unsuitable for children under 3 years".

Risk type Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of choking because the rattle grips are too long. The child could put the grips in the mouth and thus the grips could enter the throat. The product does not comply with the Toy Safety Directive and the relevant European standard EN 71-1

Product Energy absorber "Absorbica"

Brand Petzl

Type / number of model 11137*****

Product description The product is designed for protection on a lifeline (rope or cable). The energy of the fall is absorbed by the tearing of specific webbing. A mesh pouch with a zipper protects the energy absorber from abrasion or projections and allows regular verification of the absorber's condition.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries because of the lack of security stitching in the energy absorber. One accident reported. The product does not comply with the Personal Protective Equipment (PPE) directive and the European standards EN 355 and EN 362.
