Product Passenger car "Corvette"

Brand Chevrolet

EC-type approval/model EC Type approval: e13*2001/116*0150*00, Type GMX-245

Product description 2005 - 2006 models with VINs in the following ranges: 2005 55100001 - 55137341 2006 65100001 - 65115536.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries because repeated movements of the steering column could cause the transmission of signals to be interrupted, resulting in automatic activation of the brakes on one side, causing the car to swerve which could lead to an accident.

Product Specialist metal treatment "Rust Converter Gel 750

Brand Fortress

Batch number 04024477

Product description Rust Converter Gel 750ml contained in a round metal tin.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries as, on opening, the lid of the can may fly off, travelling for up to five metres in some cases. This is caused by a build up of hydrogen in the cans as a result of voids in the lacquer coating and compounded in some cases by a deformation in the cans. Accident reported.

Product Children's jacket with hood

Brand Disney Hannah Montana (THE P

Type / number of model DGFY-6250; Bar Code: 5999032762503

Product description Children's jacket with zip fastener. The removable hood includes drawstrings with three-dimensional toggles on the ends. Blue (Sizes 110,128,134); Green (Size 122); White (Sizes 110, 116,122,128).

Risk type Strangulation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of strangulation due to the presence of drawstrings in the hood. The drawstrings can easily become entangled in fixed objects if the child is moving quickly. The product does not comply with the relevant European standard EN 14682.
