Product Toy laser pistol "Laser Game Set"

Brand EDISON GIOCATTOLI

Type / number of model Ref.:1150-21 Internal ref.: 500-602

Batch number 8 002605 006021

Product description Laser pistol with a black handle and golden barrel, supplied with red protective glasses.

Risk type Chemical
Damage to sight

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of damage to sight because it contains a Class 2 laser, and a chemical risk because the black plastic of the glasses contains more than 0.1% (38%) by weight of di-isononyl phthalate (DINP) plastified material and children could put the glasses into their mouths. According to the REACH Regulation phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited in toys or childcare articles that can be placed in the mouth by children. The product does not comply with the Toys Directive and the relevant European Standard EN 62115.

Product Hairdryer "Salon Essential Hairdryer" and "Salon D

Brand Philips

Type / number of model models HP4931 & HP4940. Produced between June 2006 and April 2011.

Product description Foldable hairdryer.

Risk type Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of fire because in rare cases it can overheat when left plugged into the mains electrical supply, even when the appliance is switched off and not in use. The product does not comply with the Low Voltage Directive (LVD).

Product Girls' blouse

Brand Kenvelo

Type / number of model style No 30100785 101 U

Batch number 2 05 000 1 191 670, 2 05 000 1 191663, 2 05 000 1 191 687

Product description Girls' blouse with elastic cords attached in the neck area. Composition: 100% cotton. There is an attached label marked "Kenvelo" indicating the style No 30100785 101 U, "black", the respective size and barcode as well as sewn labels with the inscription "K, KIDS". The product is sold without packaging.

Risk type Strangulation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of strangulation due to the presence of drawstrings in the neck area. The drawstrings can easily become entangled in fixed objects if the child is moving quickly. The product does not comply with the relevant European standard EN 14682.

Product Perfumed incense sticks "Prof. Oriente Con Porta I

Brand CERERIA ERMINI

Type / number of model 8005343019544

Product description A black cylindrical carton holding 40 incense sticks with a label bearing the barcode, an indication of 40 incense sticks and the words 'PROF. ORIENTE CON PORTA INCENSI' [Oriental fragrance with incense holder] and 'Made in India'. The opposite side of the carton shows the brand name 'CERERIA ERMINI'

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a chemical risk because the incense sticks release 54 µg/m³ of benzene during and after combustion. As the product is intended for use in closed environments and not to be dispersed by ventilation, the values for benzene and toluene are to be considered harmful to health.

Product Table lamp

Brand UNICON

Type / number of model 1) Model: TORT 2) Model: SNL

Batch number -

Product description Table lamps: stands are made from metal material; the covers are made from glass and are in the shape of a turtle or a snail. Power cords with switches and plugs are anchored at the rear. Stickers are affixed to the products indicating: the brand name, relevant model, 230V ~ 50Hz, MAX 25W, Indoo

Risk type Burns
Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The products pose a risk of electric shock and burns because:
- the covers may be released during use making live parts accessible; - the covers become very hot during use. The products do not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 60598.

Notifying country	Greece
Product category	Motor vehicles
Type	Consumer
Product	Motorcycle Diavel MY2011 and Diavel Carbon MY2011
Brand	Ducati
EC-type approval/model	The recall affects 2011 model year motorcycles.
Product description	Motorcycle
Risk type	Injuries
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The product poses a risk of injuries as there is a possibility that the retaining screws of the number-plate holder on the rear swing-arm may become loose. As a result, the number-plate holder could detach whilst the motorcycle is moving, causing the risk of an accident or injuries to other road users.

Product Passenger car XF and XK

Brand Jaguar.

EC-type approval/model XF: from R59555 to R78765 (only specific units, petrol engines)
XK: from B35314 to B38302

Production dates -

Product description Production period/year: 2010-2011 Passenger car.

Risk type Fire
Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries and fire due to premature corrosion of the hoses for the power-assisted steering, which may occur, causing noise and leaks of power steering fluid. If the leak is large, this problem could cause loss of the power assistance for the steering, which could lead to a road accident. If the fluid should contact hot surfaces, there is also the possibility that it could, under severe conditions, cause a fire.

Product Electric insect killer "Mosquito Killer"

Brand SuPer Wide

Type / number of model KT-302

Batch number -

Product description Mosquito killer in the shape of a penguin. Uses UV tube to attract mosquitos; a fan is used to drag the mosquitos to an electrically charged grid.

Risk type Burns
Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of burns and electric shock because:
- when disconnected from the power supply, the capacitor in the appliance remains charged; - the front protection grid can be easily removed exposing the charged grid. The product does not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 60335.

Product VHF marine radio LVR-250 - Marine VHF DSC Radio

Brand Lowrance

Type / number of model LVR-250 Serial Number: 259401247

Product description 25 Watt VHF radio with digital selective call (DSC) distress button. The LCD presents 4 lines of text to display channel names, GPS position, GPS speed, GPS course or time, and DSC messages. The distress button is used in the case of an emergency to send an automatic emergency message.

Risk type Drowning

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of drowning because the operation of the distress button does not follow the ITU recommendations, the description in EN 301 025 or the description in the user manual. Instead of just lifting the lid and hold down the button for 3 seconds, the user needs to lift a lid and then press the button twice. This way of operation may not be clear for the user and might lead to a case where the user thinks he/she has sent an emergency signal, but actually has not.
