Product Ladies' shoes

Brand BSTL

Type / number of model Ref 2056

Product description Beige synthetic ballerinas with leather insole.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a chemical risk because the insole contains 1.5 mg/kg of dimethylfumarate (DMF). Dimethylfumarate is a substance which is strongly sensitising on contact with the skin, and consumer products containing dimethylfumarate are banned according to Commission Decision 2009/251/EC.

Product Towel "Sweet Cake"

Brand Ancient Wisdom

Type / number of model

Product description Towel folded in the shape of a cake. Decorated with ornamental plastic strawberries.

Risk type Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of choking because the form and appearance of the plastic strawberries are such that it is likely that children will confuse them with a foodstuff and consequently either place them in their mouths, suck or ingest them. The product does not comply with Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.

Product Rechargeable torch

Brand Gdlite

Type / number of model GD-610LX,

Batch number 7 473548 006101

Product description Rechargeable torch with 4 LEDs. Housing is made of yellow plastic, with a function button and a green charge indicator LED. The battery can be charged by plugging the torch into a mains socket with the telescopic pins of the built-in plug. AC 110 V-220 V; 50/60 Hz. Packaging: coloured cardboard box

Risk type Electric shock  
Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of electric shock and fire because: - the dimensions of the built-in plug do not comply with the relevant standards; - the cross-sectional area of the core of the internal wiring is less than required and in case of a short circuit the internal wires may overheat; - the protective bulb cover, serving as additional insulation, can be removed by hand during charging, making live parts accessible. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60598.
