Product **Police toy set "Police"**

Brand **Franga Toys**

Type / number of model **Model OR1208788;**

Batch number **8499660018289**

Product description **Police set including a pistol, three projectile toys with suction cups, binoculars, a truncheon, a target, a badge, handcuffs and a walkie-talkie. Packed in a cardboard and transparent plastic blister pack, the front of which reads: POLICE, FOR AGES 3 AND UP. It also carries the CE mark and the age**

Risk type **Choking**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product poses a risk of choking because the suction cups can be easily detached from the projectiles, placed in the mouth and swallowed by children. The product does not comply with the Toys Directive and with the relevant European standard EN 71.**

Product **VHF marine radio RS10**

Brand **SIMRAD**

Type / number of model **RS10E Serial#: 1008T05000254**

Product description **25 Watt VHF marine radio with digital selective call (DSC) distress button. The LCD presents 4 lines of text to display channel names, GPS position, GPS speed, GPS course or time, and DSC messages. The distress button is used in cases of emergency to send an automatic emergency message.**

Risk type **Drowning**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product poses a risk of drowning because the operation of the distress button does not follow the ITU recommendations, the description in EN 301 025 or the description in the user manual. Instead of just lifting the lid and hold down the button for 3 seconds, the user needs to lift a lid and then press the button twice. This way of operation may not be clear for the user and might lead to a case where the user thinks he/she has sent an emergency signal, but actually has not.**
