Product Travel adaptor "Jasper and Jasper Revive Starter K

Brand Jasper & Jasper

Type / number of model Unknown

Product description AC/DC charger and adaptor. USB Output.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a risk of electric shock because:

- it is possible to enter the socket past the shutters to touch live parts;
- the shutters can be operated by the insertion of one plug pin;
- the neutral pin can be inserted into the live socket aperture leaving the live pin accessible, and vice versa;
- the insulation between the input and output circuits is not sufficient.

The product does not comply with the Low Voltage Directive (LVD) and the relevant national standards.

Country of origin People's Republic of China

Product Travel adaptor "Unlimited Energy"

Brand DLH

Type / number of model DY-WU583, EAN Code: 3700263764103

Product description Travel adaptor packed in blister packaging.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a risk of electric shock because:

- the adaptor can be inserted with a (grounded) plug Class1 but has no provision for grounding and is, therefore, unsuitable for use with appliances of Class I;
- it is possible to access live parts when a plug is partly inserted into the adaptor socket outlet;
- it is possible to insert only one plug contact pin into the adaptor socket, leaving the other pin accessible;
- the contact pressure of the adaptor socket contacts is insufficient. The product does not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 60884.

Product Rechargeable headlamp "LED Head Light"

Brand Tanluxing

Type / number of model EX032-7; Art No.: B-372

Batch number 8 372037 806897

Product description Rechargeable headlamp with 7 LEDs. Includes a built-in battery and battery charger. The product housing is made of black plastic with a red charge indicator LED.

Risk type Electric shock  
Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a risk of electric shock and fire because:

- the live pins may be touched during use;
- the cross-sectional area of the core of the cable is not sufficient and, in case of a short circuit, the internal wires may overheat;
- the accessible metal casing of the headlamp is separated by only basic insulation from the live conductors;
- the basic insulated internal wiring contacts sharp edges of accessible metal parts and may get damaged. Consequently the accessible metal parts may become live. The product does not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 60598.

Country of origin    People's Republic of China

Alert number 0888/11

Notifying country United Kingdom

Product Lighter "Premium Lighter"

Brand Hailu

Type / number of model None

Product description Jumbo lighter 16cm long, transparent various colours.

Risk type Fire

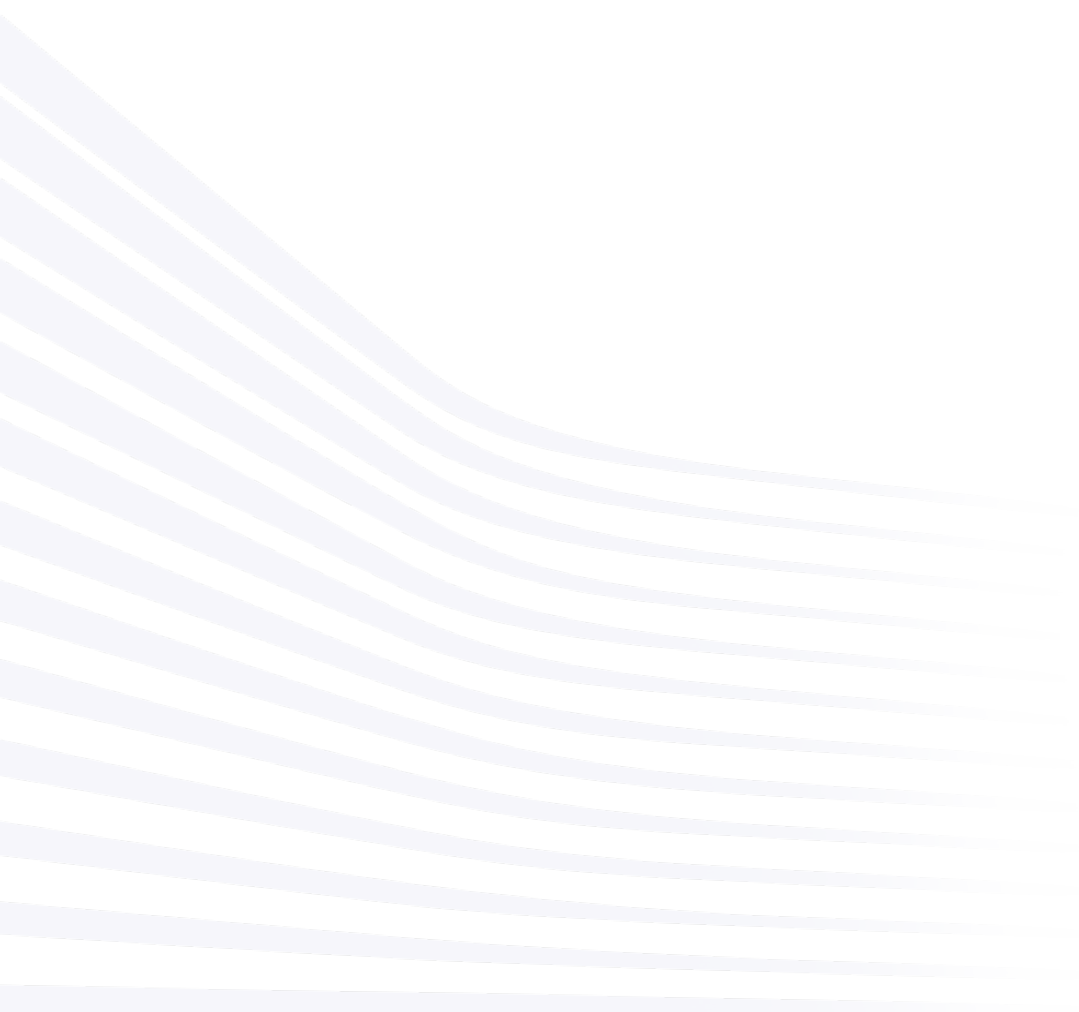

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a risk of fire because: · it has insufficient resistance to cyclic burning; · the flame height is too high; · it has insufficient resistance to spitting, sputtering and flaring; · flame extinction is insufficient; · resistance to continuous burning is insufficient. The failure of the lighter to extinguish properly can lead to the lighter melting and gas escaping under pressure. This can result in the lighter becoming engulfed in flames which can in turn set fire to the surroundings. 1 incident reported. The product does not comply with the relevant European standard EN 9994.
