Notifying country	France
Product category	Motor vehicles
Type	Consumer
Product	Trailer
Brand	DBD
EC-type approval/model	Bar code 3499368027809
Product description	1.90m trailer for motor vehicle.
Risk type	Injuries
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	There is a risk of compression of the axle arm and of the axle arm rotating a quarter of a turn when the trailer is loaded. As a result, the trailer can overturn leading to a loss of control of the car which is pulling it and a possible road accident.

Product Electric fan heater "Fan Heater"

Brand SINBO

Type / number of model Model SFH 3302 EAN 8693807091221 Ref: 9006070 Lot number: 3302090902933

Product description Electric fan heater, available in 2 colours: white and grey-blue.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of electric shock because protection against accidental contact with the live parts is insufficient. A child could easily insert his/her fingers through the grill and come into contact with the live heating element. The product does not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 60335.

Country of origin People's Republic of China

Product Electric heater

Brand Kingfisher

Type / number of model H900

Batch number 10062977

Product description 1200W halogen heater.

Risk type Burns
Electric shock

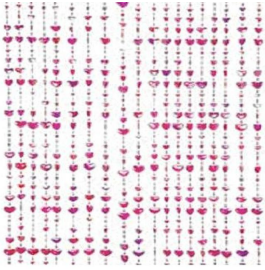

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a risk of electric shock and burns because:

- A live wire may come into contact with the metallic heated plate and melt.
- Sharp edges can be found within the appliance, which could cause damage to the internal wiring.
- The earth terminal is not adequately secured and could come loose.
- The back plastic plate does not have sufficient resistance to ignition. The product does not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 60335.

Brand BAOMA

Type / number of model
BM-Z4
MY-Z4
Z4

Batch number -

Product description Rechargeable torch. The housing with 12 LEDs is made of plastic, with an on-off switch. The battery can be charged with the telescopic pins of the built-in plug without earth contact. A bipolar adaptor with plastic housing is attached to the product.

Risk type
Electric shock
Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a risk of electric shock and fire because:

- The dimensions of the built-in plug and the adaptor are not as required;
- During normal use live parts are accessible, since single-pole insertion of the plug is possible.;
- The built-in plug fixing plastic is not sufficiently resistant to flames. The product does not comply with the Low Voltage Directive (LVD) and the relevant European standard
