Product Girls' dress

Brand BENETTON

Type / number of model Model: 3B2KF8144012,

Batch number 8300899958294

Product description Girls' summer dress, size 18-24 months, with white and purple horizontal stripes with a decorative cord at the waist.

Risk type Strangulation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of strangulation due to the presence of a decorative cord at the waist of more than 140 mm which runs through two belt loops. The product does not comply with the relevant European standard EN 14682.

Country of origin Romania

Alert number 1302/11

Product Plastic dolls with accessories "Meibaoer"

Brand CHARMING BEAUTY

Type / number of model Ref.: 64421

Batch number 84303073644211

Product description Doll with accessories: rocking horse with a doll, dresses, hairbrush, mirror and bags. The packaging is a cardboard box with a transparent plastic window.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a chemical risk because it contains more than 2% by weight of di-(2-ethylhexyl) phthalate (DEHP) and more than 2% by weight of di-isononylphthalate (DINP). According to the REACH Regulation, the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited in toys or childcare articles that can be placed in the mouth by children.

Product Swim-seat "Baby Seat"

Brand Paowang

Type / number of model ST-0074

Product description A swim-seat (a swim-ring with a steering wheel), with leg openings and pictures of animals. It is packed in polyethylene packaging.

Risk type Drowning

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of drowning because children may capsize in the seat and their head may go under water. The product does not have the appropriate dimensions and volume to prevent a child from drowning and to ensure the stability of the seat. The product does not comply with the relevant European standard EN 13138-3 according to which swim seats must not give the impression that they are toys, and must not have a colourful and decorative appearance.

Product Hand dryer "Universal Nozzle A48 Hand Dryer"

Brand World Dryer

Type / number of model Model Numbers: DA48, A48, A4855, DXA48, XA48, XA48SS, XM548, DXM548. The affected dryers were manufactured between June 2005 and November 2006.

Product description Wall-mounted hand dryer fitted into washrooms of premises such as shops, restaurants, places of work.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The affected products have nozzles that are electrically isolated from the base of the dryer and therefore not connected to earth. If an electrical malfunction were to occur, causing an electrical component to come into contact with the nozzle, the user could experience an electric shock if he/she touched the nozzle. Two incidents reported of users receiving a non-fatal electric shock. The product does not comply with the Low Voltage Directive (LVD).
