Product Decorative article - imitation biscuits "Cookie Au

Brand Unknown

Type / number of model

Batch number 8006881600799

Product description The sample called "Cookie auto" is in the form of a biscuit with icing, in the shape of a car, 8.0 x 5.2 cm in size, with parts of about 2 cm with a thickness of 1.3 cm, which are capable of being bitten off. Each sample bears a label with the following text: "0835309 - Cookie Auto".

Risk type Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of choking because the product resembles biscuits and parts of it may easily be detached. Consumers, especially small children, may confuse it with food, put it into the mouth and swallow. The product does not comply with the Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.
