Product **Girls' dress**

Brand **Sevva**

Type / number of model **Unknown**

Batch number **-**

Product description **White dress with pink flowers, sequins and beads and white netting layered skirts.**

Risk type **Choking  
Injuries**

Legal provisions (at EU level)  
and European standards  
against which the product was  
tested and did not comply

**The product poses a risk of : - choking because the beads and sequins can be easily detached and swallowed; - injuries because the ribbon attached to the waist area is too long and hangs below the hem when untied. In addition, the monofilament thread in the hem of the netting can be easily pulled from the stitching and could come into contact with the skin. The product does not comply with the national standard BS 7907 and with the relevant European standard EN 14682.**

Product **Travel plug adaptor "Universal Travel Adaptor"**

Brand **home by somogyi**

Type / number of model **Type: AC 01;**

Batch number **5 998312 749128**

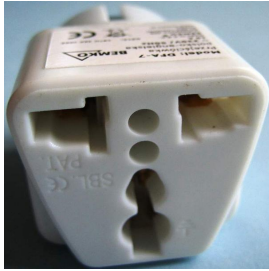

Product description **Travel adaptor. An accessory is attached to the adaptor which allows connection of a two-pole plug into a UK socket.**

Risk type **Electric shock**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product poses a risk of electric shock because: - single-pole insertion of a plug is possible leaving the remaining live pin accessible; - it is possible to insert a Class I plug into the socket-outlet part of the adaptor. The product does not comply with the relevant European standard EN 60884.**

Product **Children's windbreaker**

Brand **Qifeng**

Type / number of model **6058C**

Batch number **-**

Product description **Blue windbreaker for young children with orange inscriptions across the front and the word "Power" in white on the pockets. The hood contains an elastic drawstring with plastic toggles at the ends. Size: 98-116.**

Risk type **Injuries  
Strangulation**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product poses a risk of strangulation and injuries due to the presence of a drawstring with free ends in the hood and the presence of toggles made out of rubber which, if pulled, could spring back into the eyes and face of the child. The product does not comply with the relevant European EN 14682.**

Product **Bath toys "Bathtime Animals"**

Brand **Playgro**

Type / number of model **Number of model: 0109864, Batch code: 001724, date of production: 01.04.2011; EAN code: 9321104098641**

Batch number **-**

Product description **A set of bath toys consisting of eight various animal-shaped toys. The toys are made of flexible green and blue plastic. The toys are packed into a transparent plastic bag. The top of the bag is closed with slide fastener.**

Risk type **Choking**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product poses a risk of choking because it contains small parts that can be easily detached and swallowed. The toy does not comply with the Toys Safety Directive and with the relevant European standard EN 71-1.**

Brand **Astralis**

Type / number of model **Batch: 00215712 Model: 14720020**

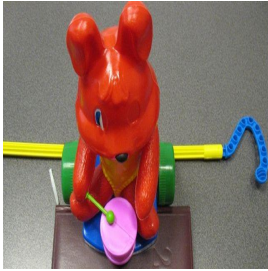

Product description **Brown artificial tree 45cm high with 64 red LED lights and an AC/DC adaptor (RKBSAC2400200). Also comes in different colours (white and pink as well as red). Packaged in a box showing a picture of product.**

Risk type **Electric shock**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product poses a risk of electric shock because the transformer connections rely upon the solder alone to maintain the position of the conductors and there are no barriers to prevent creepage distances and clearances from being reduced. If a wire should become detached the loose end could touch parts of the output circuit. This could make the output be at mains voltage. The product does not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 61558.**

Product **Push-along toy"KROLIK Z BEBENKIEM"**

Brand **Suchanek Zabawki**

Batch number **5901448340367**

Product description **Push-along toy in the form of a rabbit on two wheels made of red, yellow, blue and green plastic. When pushed using the handle, the rabbit plays a drum. On the toy there are stickers with information about the product name, the producer, the EAN code and CE-mark.**

Risk type **Choking  
Injuries**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product poses a risk of - choking because the drumsticks can be easily detached, put into the mouth and swallowed, and - injuries because the base of the toy has sharp edges. The product does not comply with the Toys Safety Directive and with the relevant European standard EN 71-1.**

Batch number **-**

Product description **Radio-controlled Subaru car in a blue glossy cardboard box with large display window. Supplied with power supply unit TL0688-096250. Input 220-240 V AC 50/60 Hz. Output 9.6 V DC 250 mA.**

Risk type **Electric shock  
Fire**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product poses a risk of fire and electric shock because the power supply unit: - does not have adequate insulation between the input and output circuits; - has internal connections which rely upon solder to maintain their position and a loose wire could reduce creepage distances and clearances. The product does not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 61558.**
