Product Rifle RS05

Brand HMS Präzisionstechnik (Strasser)

Type / number of model RS05 Magnum calibre combined with barrel type 300 WinMagnum and 7mm Remington Magnum ammunition.

Product description Pump-action rifle.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply When using appropriate 'Magnum' calibre ammunition, the chamber may suddenly move out of position. This may lead to injuries to the person using the rifle. Persons who are in the direct vicinity of (particularly behind) the user may also be at risk.

Product Highchair "Marco Peter"

Brand Marco Tempo

Type / number of model Unknown

Batch number -

Product description Children's highchair.

Risk type Choking
Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries because the rear tube of the seat back on the locking mechanism side can break, as well as the stud for locking the locking system. The product also poses a risk of choking because the cap covering the locking mechanism can be easily detached and swallowed. The product does not comply with the relevant European standard EN 14988-1.
