Product description **Plastic insects between 13 and 20 cm in length and coloured in such a way as to imitate real insects. There are four different insects (grasshopper, ant, scorpion and ladybird). The packaging is a transparent plastic bag through which the contents are visible. The bag is sealed at the top by a cardb**

Risk type **Chemical**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The products pose chemical risks because they contain 0.8% by weight of di(2-ethylhexyl)phthalate (DEHP) and 5% by weight of di-isononylphthalate (DINP). According to the REACH Regulation, phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited when the toy or childcare article can be placed in the mouth by children.**
