Product Trampoline "Round Trampoline"

Brand Unknown

Type / number of model Unknown

Product description Trampoline with enclosure (safety net). The safety net is sold in combination with the trampoline as well as separately.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries as the safety net may suddenly break. One accident reported to date.

Country of origin People's Republic of China

Alert number 0373/12

Notifying country Germany

Product category Motor vehicles

Type Consumer

Product Passenger car/Van Viano, Vito

Brand Mercedes-Benz

EC-type approval/model Type: 639 EC type-approval: e1*2007/46*0457, e1*2007/46*0458, e1*2007/46*0459 The vehicles affected were produced in September 2011.

Product description Passenger car / van

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply Due to an error in the assembly process, the screws for the shock absorber strut on the front-axle steering knuckle did not achieve the specified tightening torque. Insufficient tightening torque can result in shearing of the screws in question. The altered chassis geometry can lead to poorer vehicle handling which could lead to a road accident.

Product category Chemical products

Type Consumer

Product Liquid for electronic cigarette "Tribeca"

Brand Halo

Type / number of model Tribeca e-liquid (indicated nicotine level: 18 mg)

Product description Small 7 ml bottle with screw-on cap.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a chemical risk because it contains nicotine dosed at 1.7%, which falls within the "Toxic" category when the preparation comes into contact with the skin. However, the packaging does not have a safety label (no pictogram, risk-related indications, advice, tactile danger warning or child-proof safety seal). The user therefore has no information on the serious dangers incurred when the product comes into contact with the skin. The product does not comply with the Directive 1999/45/EC on the classification, packaging and labelling of dangerous preparations.
