

Alert number **0483/12**

Notifying country **Denmark**

Product category **Pyrotechnic articles**

Type **Consumer**

Product **Fireworks "Gold Missil"**

Brand **JKC Fyrværkeriimport ApS**

Type / number of model **Danish registration number: SIK-0272312403**

Batch number **-**

Product description **Rocket which looks like a missile. Article to be placed vertically on the ground and propels to an altitude of approximately 25 meters where it produces exploding stars.**

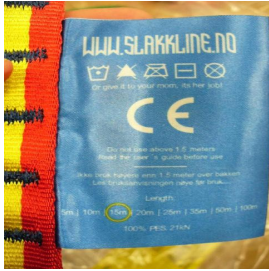

Risk type **Burns  
Injuries**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product poses a risk of burns because there is a risk that the firework fails to function above 20 meters and falls to the ground and explodes. The product does not comply with the relevant European standard EN 14035-27.**

Country of origin **People's Republic of China**

Product

**Slackline set**

Brand

**Slakklime**

Type / number of model

**medium kit and small kit**

Product description

**Slackline set (small, medium) with carabiners bearing CE mark, test centre number 0299 and performance data which is stamped onto the carabiners.**

Risk type

**Injuries**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

**The product poses a risk of injuries because the carabiners bear a CE mark and test centre number which make them appear suitable as climbing equipment - which they are not. The carabiners break or become distorted at a load which is below the limit indicated. Indication 'Only for Slackline' is impermissible because the stated performance and the requirements of the PPE Directive are not complied with.**

Product category **Toys**

Type **Consumer**

Product **Flying rotor toy**

Brand **Unknown**

Type / number of model **Model ST-F01**

Batch number **808300000012**

Product description **Plastic toy, with batteries and light, consisting of a launch base with a rubber band and a projectile in the shape of an arrow, which incorporates a battery-powered light. The packaging is a transparent plastic bag.**

Risk type **Chemical**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

**The product poses a chemical risk because the light emitting diode is connected to the battery pack by a hook ending in a sharp point that presses against one of the terminals of the battery pack and, thus, there is a risk of the battery being perforated and leaking chemicals. In addition, the battery compartment can be easily opened and the batteries can be swallowed. The product does not comply with the Toy safety directive and with the relevant European standards EN 62115 and EN 71-1.**

Product **Mobile phone charger "ION Charger"**

Brand **Cross Fire  
Original Vibe Accessories**

Type / number of model **ST-099A12**

Batch number **-**

Product description **White AC/DC adaptor for V220/C350 mobile phone (NOT ORIGINAL PRODUCT). Supplied in a cardboard box**

Risk type **Electric shock  
Fire**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

**The product poses a risk of fire and electric shock because:**

- the internal connections rely upon solder to maintain their position and a loose wire could reduce creepage distances and clearances between the input and output circuits;
- the pins are inadequately sized which could cause damage to the socket leading to overheating or arcing within the socket. The product does not comply with the Low Voltage Directive and the relevant European standard EN 61558 and the relevant national standard.
