Product LED tube

Brand Ledtek

Type / number of model Type: LT-T8-BTH.

Batch number Unknown

Product description T8 Led tube.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of electric shock because there is inadequate insulation between the live parts and accessible metal parts. The product does not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 60968.

Country of origin People's Republic of China

Product Extension lead

Brand MAKALON

Type / number of model 700715

Batch number 3800123110795

Product description Extension lead with four sockets, with a switch and a cable length of 1.5 m. Packed in a transparent plastic bag sealed with a cardboard fastener.

Risk type Electric shock
Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of electric shock and fire because

- the insulating resistance is not sufficient;
- it is not sufficiently heat resistant;
- it is not provided with terminals with screw clamping.

The product does not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 60884.

Country of origin People's Republic of China

Type Consumer

Product Lighting chain "120 Luz de Navidad"

Brand Unknown

Type / number of model

Batch number 5606488017933

Product description Lighting chain with 120 lamps.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of electric shock because the flashing unit is not securely fastened to the cable of the lighting chain, so that wires under tension may become detached and thus exposed. The product does not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 60598.

Country of origin People's Republic of China

Notifying country	Greece
Product category	Motor vehicles
Type	Consumer
Product	Passenger car "Carrera", "Carrera S"
Brand	Carrefour Home Porsche
EC-type approval/model	Model 911. The recall concerns 212 model year vehicles, built between 8/9/2011 and 24/1/2012.
Product description	Passenger car
Risk type	Fire
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	There is a possibility that the rapid-action coupling on a fuel line on the underside of the vehicle is touching a heating pipe. If this happens, it can impair the locking function of the rapid-action coupling, causing it to open and, as a result, fuel can leak out.
