Product Babies' jacket "Girls street waistcoat"

Brand Fox

Type / number of model art.BW11-6503

Batch number 666581995606

Product description Babies' jacket made of silver polyester material printed with different animals photos. Intended for babies from 3 to 6 months. The jacket has a detachable hood with synthetic fur.

Risk type Suffocation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of suffocation due to the presence of synthetic fur on the hood that can easily be ingested by a child and could cause obstruction of the internal airways and digestive tract or cause allergies or asthma.

Product Angle grinder

Brand AKITA

Type / number of model GX-AG003

Batch number -

Product description Angle grinder with a disc diameter of 115 mm, 230V, 50Hz, 500W. Packed in a cardboard box, sealed with a plastic band.

Risk type Electric shock
Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries because the machine's parts can separate or break due to the insufficient mechanical strength of the flanges, the connection between the disc and the machine, as well as the fact that the slope of the protection shield on the safety device does not comply. The product poses a risk of electric shock because when using the angle grinder, the double insulation may puncture with the result that live parts are accessible. The product does not comply with the Machinery Directive.
