Product Wire headdress

Brand CASACTUAL COLECCIÓN NAVIDAD [CASACTUAL CHRISTMAS C

Type / number of model Barcode 2102027455424

Product description A headdress made of twisted black wires with beads of different sizes and bright colours attached to their free ends, without packaging.

Risk type Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of choking because it has detachable small parts and, due to its characteristic form, appearance, colour and size, the product may be mistaken for a foodstuff and placed in the mouth. The product does not comply with the Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.

Product category Lighting chains

Type Consumer

Product Lighting chain "100 LED VILÁGIT" (100 LED light)

Brand A.I.&E

Type / number of model XN-714

Batch number 354203

Product description The lighting chain includes serial-parallel connected, non-replaceable 100 LED lamps. The product can be operated with a flashing control unit. Main parts of the lighting chain: two-pin plug ("2.5A 250V"), flashing control unit, single-insulated mains cable with single-core, without marking. Technic

Risk type Electric shock  
Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of electric shock because: - the wire ends soldered to terminals of the flashing switch and control unit and the LEDs are not adequately protected against pulling and twisting; - the accessible wires have only basic insulation and they come into contact with sharp edges of the flashing control unit. In case of damage, the live metal parts become accessible; - the decorative lighting chain is recommended for outdoor use although it is not protected against moisture. The product poses a risk of fire because the

cross-section area of the wires is less than the minimum requirement, thus, they can overheat. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60598.
