Product Babies' bottle "Biberón"

Brand Concorde

Type / number of model Model: Item No 903 (250 ml) and 803030 (220 ml)

Batch number 842928393006 and 8429283803030

Product description Babies' bottles. One of the models has a capacity of 250 ml and the other a capacity of 220 ml. They are packaged in transparent plastic bags through which the bottles are visible. The top is protected by cardboard. Contains advice for use printed on the cardboard label. The bag also contains a shee

Risk type Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The products pose a risk of choking because the teat can generate small parts and, in the case of model 803030, the decorative motifs can easily be detached from the bottle forming small parts that can be swallowed by small children. The product does not comply with the relevant European standard EN 14350.

TP-502161 (in invoice)

Batch number -

Product description Toy police set packed in a blister card. Contains an eye-mask, rifle, suction cup cartridges and a target.

Risk type Chemical
Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries because the eye-mask can break and hazardous sharp points and loose parts are formed that could enter the eye. This product also poses a chemical risk because the plastic material of the suction cup cartridges contain dibutyl phthalate (1.1 % DBP), of di(2-ethylhexyl) phthalate (8.4 % DEHP) and di-isononyl-phthalate (4.4 % DINP). According to the REACH Regulation, phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited when the toy or childcare article can be placed in the mouth by children. The product does not comply with the Toys Directive

and the relevant European standard EN 71-1:2011.

Product Girls' coat

Brand Nice Wear

Type / number of model GX8007

Batch number -

Product description Girls' pink coat with hood and zip-fastener. The hood can be removed by using a zipper. The hood has an elastic drawstring with plastic toggles on the ends. Size: 8.

Risk type Injuries
Strangulation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of strangulation and injuries due to the presence of drawstrings in the hood. If a child pulls the elastic drawstring the toggles may spring back into the eyes and face causing injuries. The product does not comply with the relevant European standard EN 14682

Product Children's sleeveless jacket

Brand "A" Collection Authentic

Type / number of model W-173

Batch number -

Product description Boys' grey sleeveless jacket with hood, zip-fastener and two pockets. The hood can be removed by using a zipper. The hood has a non-fixed elastic drawstring with toggles on the ends. The product is decorated with a gym shoe and an inscription. Size: 122-146.

Risk type Injuries
Strangulation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of strangulation due to the presence of drawstring in the hood area. The product also poses a risk of injuries to the eyes or face of children when pulling the drawstring firmly and releasing the toggles. The product does not comply with the relevant European standard EN 14682.

Product Bath salts "Prinzessin Sternenzauber DM"

Brand DM Drogerie Markt

Type / number of model Barcode 4 010355 803856, DAN: 135655

Product description Bath salts resembling sweets in the shape of stars, measuring 18.6 mm, with the smell of a foodstuff – a strawberry. They are placed inside a plastic container imitating a jar with a metal closing mechanism and an attractive pink label with various pictures: a princess with a dwarf, a doe, a squirrel

Risk type Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of choking because its form, packaging, size and appearance are such that it is likely that children will confuse them with a foodstuff and consequently either place them in the mouth, suck or ingest them. With the effects of the saliva, the product expands and could entail the risk of choking or obstruction of the digestive tract. The product does not comply with Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.

Product Towel with decoration

Brand Sweet Love

Type / number of model 11790, B081

Product description Towels which have been folded in the form of a piece of cake, packed in single cellophane packaging and decorated with food imitating products - strawberries, with labels containing information in Bulgarian.

Risk type Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of choking as, due to its characteristic form, colour and size, it may be mistaken for foodstuff. This may lead children to put them in their mouths, suck or ingest them, which could entail the risk of choking. The products do not comply with the Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.
