Product Electronic Multimeter "Multímetro Electrónico"

Brand V&F

Type / number of model ref. 14016

Batch number 88620009140161

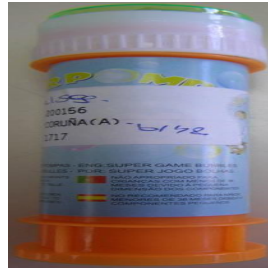

Product description Black multimeter with manual probe on white screen and red and black wires. The product comes in blister packaging.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply There is a risk of electric shock since live parts are accessible. The product does not comply with the Low Voltage Directive (LVD) and the relevant European standard EN 61010.

Country of origin People's Republic of China

Alert number A12/0926/12

Product category Toys

Type Consumer

Product Soap bubble toy "Espumola"

Brand SUPER POMPAS

Type / number of model Ref. 05914

Batch number 8422838059142

Product description Tubes for making soap bubbles. The product bears a label marked "Super Pompas And Espumola".

Risk type Microbiological

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a microbiological risk because the mesophilic aerobic microorganism count in the soapy water is too high (2.7×10^4 cfu/ml). There is a risk of infection if the liquid is swallowed or comes into contact with the skin. The product does not comply with the Toys Safety Directive.

Country of origin People's Republic of China

Product	Wooden table lamp
Brand	Mester Grønn
Type / number of model	139602
Batch number	-
Product description	Small turquoise wooden table lamp for tea light candles. Sold without packaging.
Risk type	Burns Fire
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The lamp is only designed for tea light candles, but the candle holder is big enough to also hold larger candles. The product label does not specify what kind of candles should be used so if a large candle is placed in the lamp and left unattended, the wood in the lamp could catch fire.
