Product Gel Fuel Fire Bowl

Name Gel Fuel Fire Bowl

Brand Slemcka

Type / number of model 4591 Bar code: 5015772145915

Product description Metal bowl with well for gel fuel and snuffer. Packaged in an orange box.

Risk type Burns

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of burns because the flame may be difficult to see at times, it can flash if more fuel is added to the pot whilst either still alight or warm. Fuel is not provided with this particular product which also increases the risk by lack of instruction and the snuffer is smaller than the well so if consumers poured fuel directly into the pot the snuffer is of no use. Lit fuel can also flare.

Product Salt crystal lamp

Brand Salsa

Type / number of model quipment Product: Salt crystal lamp Brand: Salsa Name: Salt Light / Hangulat Sólámpa Model: K01A

Batch number 5 999880 150699

Product description Salt crystal lamp. The base parts of the portable luminaire: a white plastic E14 lampholder supplied with a mains plug and mains cable, and a wooden base plate. The translucent, 2 kg salt crystal lampshade is fixed to the wooden base plate with two wood-screws.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a risk of electric shock because live parts could be touched by the user:

- Parts of the supply cable which have only basic insulation are accessible. In case of damage to the insulation, live metal parts become accessible.
- The lampholder is not secured against twisting, so the lampholder may come unscrewed when the user is changing the lamp.
- The touchable metal screws in the cord anchorage system are in contact with the supply cable. The

product does not comply with the Low Voltage Directive and the relevant European standard EN 60598.
