Product Soap bubble

Name Unknown

Brand Tiger

Type / number of model Ref. 1701009 and 1701010

Batch number Unknown

Product description 1. Article ref. 1701009 is for making soap bubbles. 2. Article ref. 1701010 is for giant soap bubbles.

Risk type Microbiological

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The products pose a microbiological risk because the total aerobic microbial count in the soapy water is too high (respectively 480 000 and 12000 000 cfu/ml) while the threshold value is 1 000. There is a risk of infection if the liquid is swallowed or comes into contact with the skin. The products do not comply with the Toys Safety Directive.

Product Magnetic fishing set

Name Kids'r Cool –magnetic fishing game

Brand Cork

Type / number of model 21093

Batch number 9312601210933

Product description Toy fishing set. 240 mm fishing rod with a magnet on a string. Together with 4 sea animals, 45-75 mm long in soft plastic and bright colours.

Risk type Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of choking because it contains an accessible magnet that can easily be detached and swallowed by small children. In addition, the toy poses the risk of strangulation because the string between the fishing rod and magnet is too long (325 mm.). The product does not comply with the Toy Safety Directive and with the relevant European standard EN 71-1.

Country of origin People's Republic of China

Product Liquid for electronic cigarette

Brand NOBACCO

Type / number of model roducts Product: Liquid for electronic cigarette Brand: Nobacco Name: Unknown Type: Cherry, 20ml Batch number /

Batch number Unknown - Expiration date: 19.10.2013

Product description Liquid for electronic cigarette in transparent bottle (height: 9cm, base diameter: 2.2cm, volume: 20ml) with white child-proof cap. The liquid has a cherry smell and bears the indication "0 mg", stating that it contains no nicotine. The bottle is packed in a white cardboard box (approx. dimensions:

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The label of the product states that it does not contain nicotine, but the test results show that it contains about 8mg/g of this substance. The product poses very serious risks since the consumer could be misled and consider it as a non-nicotine product. Vulnerable consumers and consumers with medical problems could be exposed to nicotine involuntarily and therefore compromise their health to very serious risk.

The product does not comply with the Directive 1999/45/EC on the classification, packaging and labelling of dangerous preparations.
