Product **Bath Oil**

Name **Original Beer Cosmetics**

Brand **Manufaktura**

Type / number of model **437074**

Batch number **8591113005966**

Product description **Plastic bottle with approximately 2cm opening, 3 adhesive labels and screw cap. The bottle is filled with brown liquid, cream and foam. The liquid has a sweet smell with a slight scent of beer. The taste is unpleasant but not bitter.**

Risk type **Health risk / other**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a health risk because the liquid contains 6.16 g/100g of anionic tenside which, if swallowed, may cause aspiration pneumonia. Due to its characteristic form, appearance and packaging, consumers may mistake the product for foodstuffs and therefore swallow the liquid. The product does not comply with the Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.

Brand **Biltema**

Type / number of model **BILTEMA (Art. 17-093), 230 V, 50 Hz, 2200 W, blade diameter 400 mm, P54, Class I.**

Batch number **Unknown**

Product description **A circular sawing machine for firewood, grey frame standing on 4 legs, black guarding of saw blade, grey log carriage.**

Risk type **Cuts
Injuries**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a risk of cuts and injuries for the following reasons: -The stability of the appliance is not sufficient. Pivoting log carriage does not automatically return to its rest position. - Inaccurate sizing of the saw blade guard prevents pivoting log carriage to return to its rest position. - The teeth of the saw blade can be touched from the side and from the underneath of the blade guard. In addition, the mounting instructions in the manual are unclear, this causes problems during mounting. The product does not comply with the Machinery Directive and the relevant European standard EN 1870.
