HSQ-B216S**

Batch number **Unknown**

Product description **Gas barbecues in stainless steel with 4, 5 or 6 burners and a side burner.**

Risk type **Burns
Fire**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The user has to assemble the side burner, gas hoses (including the internal hose) and gas regulator themselves. Furthermore, they have to adjust the primary air for each burner. Since the internal gas hose is of an unknown type, and the gas circuit is not factory-assembled, there is a risk of gas leakage which could lead to burns if the leaking gas is ignited. The product does not comply with the Gas Appliances Directive.
