Product category Toys

Type Consumer

Product Toy wheelbarrow

Name Junior tools

Brand Polet

Type / number of model Art No 1083

Batch number Unknown

Product description Wheelbarrow made of hard red plastic, with red metallic frame and black rubber wheel.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a chemical risk because the black plastic covers protecting the screws (which can be easily unscrewed) contain 9 % by weight of bis (2-ethylhexyl) phthalate (DEHP). According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited in toys or childcare articles that can be placed in the mouth by children.

Product Bow and arrow set

Name 1.Wings Paw Set and 2. Wings Kojote Set

Brand Wings

Type / number of model 1. 90980 2. 90976

Batch number 1. 4008720909807, 2. Unknown

Product description Bow and arrow set, packaged in colourless plastic bag, cardboard flap stapled to it, card enclosed.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries because, when other rigid projectiles are used, the maximum permissible kinetic energy level is exceeded. Hence there is a danger of external injuries, and sensitive areas such as the face and above all the eyes are particularly at risk. The product does not comply with the Toys Safety Directive and with the relevant European standard EN 71-1.

Product Children's bicycle

Name Unknown

Brand Classic bicycle

Type / number of model HP SUPER STAR 1818

Batch number Unknown

Product description Bicycle for young children in grey-blue colours, equipped with two stabilizer wheels and a yellow plastic mirror on the handlebars. The bicycle is equipped with two independent, hand-operated brake systems operating on the front wheel and on the rear wheel. Marking on various parts of bicycle - "LM

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries because: - certain sharp edges on the bicycle are not protected. These could cause injuries during normal riding, handling and maintenance. - The cable caps do not withstand the required removal force; their removal could result in the injury of the child. - The handlebar grips do not have sufficiently enlarged and covered ends. -

The bicycle is not equipped with a chain-guard that fully shields the chain, which might lead to constriction of the child's fingers while playing with the chain-guard. In addition, the manufacturer's instructions do not contain all necessary safety warnings and the user's manual is missing. The product does not comply with the relevant European Standard EN 14765.

Product Children's bicycle

Name Unknown

Brand Mexller

Type / number of model BMX 12", FUCC 10052715

Batch number FUCC 10052715

Product description Bicycle for young children in blue-silver colours equipped with a basket and bell in the front.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a risk of injuries because: - certain sharp edges on the bicycle are unprotected. These could cause injuries during normal riding, handling and maintenance. - The cable end caps do not withstand a required removal force; their removal could result in injury of a child. - The bicycle is not equipped with a chain-guard that fully shields the chain, which might lead to constriction of the child's fingers while playing with the chain. In addition, the manufacturer's instructions do not contain all necessary safety warnings and the user's manual is missing. The product does not comply

with the relevant European Standard EN 14765.
