Product description	Orange tiger costume for children aged 1-3, supplied on a hanger in a plastic bag.
Risk type	Injuries Strangulation

## Suffocation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses the risk of: - Injuries due to the presence of small parts that can easily become detached and may be swallowed or inhaled by children; - Strangulation, due to the presence of a fixed noose (cord securing the hood) which is too long. The noose is formed of the adjustable cord securing the hood; - Risk of suffocation because the toy comes in a plastic bag (the one containing the hood) made of impermeable material which is not thick enough and may cause obstruction of the airway from the mouth and nose. The product does not comply with the Toy Safety Directive and the relevant European standard EN 71-1.

Brand OCN

Type / number of model Model: Runner, art: 85134, code: 8801-00085134-001001

Batch number 880112200054

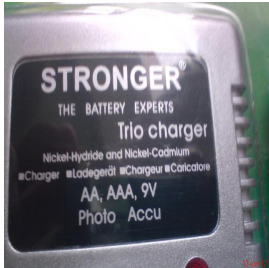

Product description Boys' swimming shorts in dark blue. The shorts are decorated with the word "RUNNER" in yellow on the left-hand side at the front. The garment bears 2 yellow drawstrings. One of the cords bears the word "CRAZY" in dark blue. Sizes: 0-14.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries because of the presence of an unattached drawstring with free ends which are too long. The product does not comply with the relevant European standard EN 14682.

Product Battery charger

Name Trio Charger

Brand Stronger

Type / number of model ST-88

Batch number Unknown-

Product description Battery charger made from silver plastic material with an integrated mains supply plug in the back part.

Risk type Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of fire because: - the plastic material supporting the pins of the plug is not sufficiently resistant to heat and fire; - the protection against electrical overload is not sufficient. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60335.

Product Battery charger

Name Camera & Camcorder Travel Charger

Brand Lemix

Type / number of model Unknown

Batch number Unknown

Product description Camera battery charger for FNP45 batteries. Input AC 100v-240v 50/60Hz. Supplied with two removable plug pin assemblies.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The two parts of the UK pin assembly can easily come apart when the user attempts to remove the charger from a socket, leaving live parts exposed with the risk of electric shock. The product does not comply with the Low Voltage Directive and the relevant national standard.

Brand FAIR WORLD

Type / number of model ItemNo. BS-209

Batch number 201102022 - 001

Product description Brown, folding, summer pushchair packed in a cardboard box. On the front of the box there is an inscription: "Fair World", on one of the sides there is another inscription Item No: FW-3013, sizes 27x20, 5x100cm, colour: coffee.

Risk type

Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

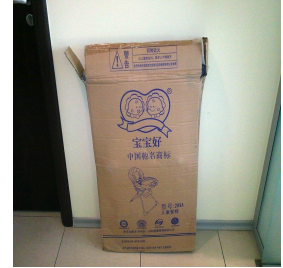

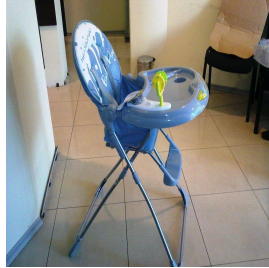

The product poses a risk of injuries for the following reasons: - there is no warning that it is not suitable for children under 6 months of age; - the efficiency of the retaining system is not adequate, which may result in the child falling out; - there are points where a child's fingers could become trapped; - it does not have at least two blocking mechanisms, one of which is automatically activated, to ensure that it is completely unfolded when in use; - it does not have a blocking mechanism to avoid unintentional unfolding; - it does not have a parking device that is simultaneously activated on both rear wheels; - it has no marking and instructions for use in Bulgarian. The product does not comply with the relevant European standard EN 1888.

Product High chair

Name Children's high feeding chair

Brand BAO BAO HAO

Type / number of model Item No. 289 A

Batch number 6938318900207

Product description Children's high chair, grey colour, with a feeding table and high legs. On the table there is a plastic toy resembling a rattle. Each chair has been individually packed in a separate cardboard box.

Risk type

Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a risk of injuries because: - The non-compliant folding mechanism may lead to incomplete unfolding of the chair and cause injuries to the child while the product is being used ; - The lack of warning on the packaging could lead to a risk of suffocation if the child plays with the packaging; - The chair has no marking and instructions for use in Bulgarian. The product does not comply with the relevant European standard EN 14988.
