Product Scooter

Name Unknown

Brand Alu U-Play

Type / number of model Model: CSL19T-INTF, Factory: 1AA; Date of manufacture: July 2012

Batch number 3569700012371

Product description Aluminium scooter; dimensions 62 x 29.5 x 72 cm. Colours: pink and blue. According to packaging, "for users aged four and over". Maximum load: 50 kg. Torque 8 NM

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The space between the front wheel and the body of the toy is not sufficient. The scooter's steering column is not strong enough and may collapse causing falls. In addition, the product poses the risk of injuries due to the presence of accessible sharp edges on the insides of the handlebars The product does not comply with the Toy Safety Directive and the relevant European standard EN 71-1.

Product description

USB charger supplied with an adaptor for cars, a self-winding cable, USB connector and connectors of various types. Packed in a blister.

Risk type

Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The charger poses a risk of electric shock because: - it does not have adequate mechanical strength and the material from which it is made is not sufficiently resistant to heat. As a result, the charger may break or deform and live parts may become accessible; - the clearances and creepage distances in the transformer are not sufficient. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60950.
