Type / number of model LQ-010

Batch number Unknown

Product description Girls' pink trousers with two pockets. The product is decorated with an inscription "dance". The pockets and the inscription are decorated with glued rhinestones. The waist part of the trousers includes an unfixed drawstring with knots and metal toggles on the end. Size: 74-98

Risk type Choking
Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses the risk of choking due to the presence of decorative rhinestones that can be easily removed and may be swallowed or inhaled by children. The product poses the risk of injuries due to the presence of an unfixed drawstring with knots and metal toggles on the ends in the waist area. If the drawstrings become trapped, they could cause the child

to fall. The product does not comply with the relevant European standard EN 14682.

Product description Passenger car

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply In the electric power steering control module of the vehicles concerned, condensed water droplets could attach between the terminals in the relay which supplies power to the power steering motor and cause a short circuit. If this occurred, the power steering assistance could stop working and an increased steering effort would have to be exerted by the driver.

Batch number
 1. 8000009410109
 2. 8000009410055

Product description
 2 models of decorative imitation fruits: sweet peppers in red and green colour and pears in brown and yellow. The packaging is a plastic bag containing two units. Each item bears a paper label with the importer's details, barcode and reference.

Risk type Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply
 The product poses a risk of choking as, due to its characteristic form, colour and size, it may be mistaken for foodstuff. This may lead children to put them in the mouth, suck or ingest them, which could entail the risk of choking. The product does not comply with the Directive 87/357/EEC on products which, appearing to be other than they are,

endanger the health or safety of consumers.
