Product description **10 ply load range E tyres manufactured from late 2008 to week 40 of 2010**

Risk type **Injuries**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply
Tyres may experience in-service belt and tread separations, which are more likely to occur in warmer climates and after a tyre has been in service for approximately one to two years. The vehicle user could experience reduced control of their vehicle.

Type / number of model **product code: 85, product code: 170**

Batch number **barcode 8692241000851**

Product description **Baby bathtub with a stand, 100% polypropylene.**

Risk type **Choking
Injuries**

Legal provisions (at EU level)
and European standards
against which the product was
tested and did not comply

The product poses a risk of injuries, because it easily collapses and the material easily breaks. The product poses a risk of choking because a plastic label attached to the bath tub can easily detach and be swallowed by small children. The product does not comply with the relevant European standards EN 1888 and EN 12221.

Product description

Soap bubble toys decorated with various Disney characters. They have a label indicating the importer's details, the barcode, and the reference and anagram for children under the age of 36 months.

Risk type	Microbiological
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The products pose a microbiological risk because the soapy water in the toys contains mesophilic aerobic microorganisms and enterobacteriaceae in high concentrations. There is a risk of infection if the liquid is swallowed or comes into contact with the skin. The products do not comply with the Toys Safety Directive.
Country of origin	People's Republic of China
