Product Plastic doll

Name Modern Charm

Brand Happy Star

Type / number of model Art. N°: MPI54678

Batch number 5900368546781

Product description The toy is a plastic doll with soft head. It is dressed in a shirt with a button in the neck area and a suit in white and golden colours. The toy is packed in a cardboard box with a plastic window.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a chemical risk because it contains up to 24.9 % by weight of bis (2-ethylhexyl) phthalate (DEHP). According to the REACH Regulation, phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited when the toy or the childcare article can be placed in the mouth by children.

Product Plastic toy

Name Unknown

Brand Gazelo Toys

Type / number of model Z0850-Z0850-12

Batch number 5907773926504

Product description Plastic squeezable duck shaped toy (of 74 mm height), made of soft, flexible pink plastic material with spikes. Feet (13 mm long) of the toy are made of hard plastic. Eyes and beak are painted. Inside the toy there is a spherical element that emits light (flashes) when shaken.

Risk type	Choking
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The product poses a risk of choking because small parts (duck's feet) may be easily detached by a child when playing. Children may therefore put them into the mouth and swallow them. The product does not comply with the Toy Safety Directive and the relevant European standard EN 71-1.
Country of origin	People's Republic of China

Product Solid fuel stove

Name Unknown

Brand Ambra

Type / number of model M98 - Antique bronze

Batch number Unknown

Product description Stove for solid fuel combustion. The stove consists of a rectangular antique-style casing, presumably made of cast steel. The casing stands on four decorative feet, which are screwed to the casing.

Risk type Burns
Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of burns because the controls are not sufficiently insulated. Moreover, the various leaking parts of the stove could cause fire. The product does not comply with the relevant European standard EN 13240.

Choking

Risk type

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a risk of choking because it contains small parts that easily detach and could be swallowed by small children. The product does not comply with the Toy Safety Directive and the relevant European standard EN 71-1.

Country of origin

People's Republic of China

Product Pushchair

Name Venus

Brand Jumbo

Type / number of model Orange colour Item Nr: E-1266-1
Red colour: Item Nr: E-1266-2

Batch number Orange: 0264051000031
Red: 0264042000033

Product description Children's pushchair sold in orange and red colours.

Risk type Injuries

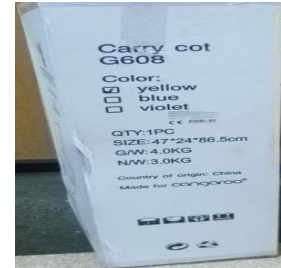

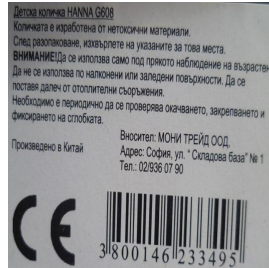

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries because : - an insufficient distance between fixed and moving parts of the movable cover and of the footrest could cause entrapment; - the brake is not activated simultaneously on all rear wheels; - the handles can easily reverse thus preventing proper handling of the pushchair. The product does not comply with the relevant European standard EN 1888.

Batch number 3800146233495

Product description Combined children's stroller, consisting of a chassis with a carry-cot for a newborn baby and a 'basket' for a child 6 months old. The label and briefing manual are in Bulgarian.

Risk type Choking

	Injuries
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The product poses a risk of injuries due to an inadequate locking mechanism placed in the lower left section and because the product can move when left on an inclined surface. Moreover, the product poses a risk of choking to small children because small parts (zip puller placed in the backrest) could be easily removed and swallowed. The product does not comply with the relevant European standard EN 1888.
