Type Consumer

Product Skateboard

Name Unknown

Brand Vektory

Type / number of model Model N°: 730208

Batch number Bar code: 5996033303612

Product description Four-wheeled, black skateboard decorated with green graphics on the bottom. The product has black plastic suspension and white plastic wheels. Load capacity: 20-50 kg. Packaging: transparent plastic.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries because the layers of the surface area of the skateboard may partially separate from each other and the axles bend, which could lead to an accident. The product does not comply with the relevant European standard EN 13613.

Product Magnetic toy

Name Magnetic neodym, Magentkugeln 216, Magnetwürfel

Brand magneastic

Type / number of model NC 9927, NX1015, NX1016, NX1018

Batch number GTIN (EAN) No: 4022107192057

Product description 216 very powerful silver-coloured magnetic balls, each of 5 mm diameter, assembled into a cube puzzle and sold in a tin box. In the past, these balls have also been offered for sale in metallic colours (red, blue, green, etc.). Length of sides: 4 mm.

Risk type Choking
Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The presentation of the magnetic balls is particularly attractive to small children and, due to their size and shape, they could be put in the mouth, posing the risk of choking. The product poses a risk of injuries (intestinal blockage) because the balls have a high magnetic flux value and if more than one small magnet is swallowed, they can be attracted to

one another through the gut wall, causing perforation or blockage. The product does not comply with the Toy Safety Directive and with the relevant European standard EN71-1.
