Product **Key-ring**

Name **Rubber Keychains "Sponge Bob"**

Brand **Pyramid International**

Type / number of model **RK38132, Sponge Bob**

Batch number **4230200061**

Product description **Key-ring consisting of a square, flat, bendy, yellow plastic part, printed with the face of 'Sponge Bob' and attached metal rings.**

Risk type **Chemical**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a chemical risk because it contains 19.5 % by weight of di-(2-ethylhexyl) phthalate (DEHP). According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited in toys or childcare articles that can be placed in the mouth by children. The product poses a chemical risk because it releases 1.01 µg/cm²/week of nickel, exceeding the limit value of 0.5 µg/cm²/week. The product does not comply with the REACH Regulation.

Product	Power supply
Name	Power Adaptor
Brand	B & M
Type / number of model	JSB005-6
Batch number	Unknown
Product description	Black AC/DC power adaptor with three pins. No packaging.
Risk type	Electric shock Fire
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The adaptor poses a risk of electric shock and fire because: - its internal connections are not sufficient and rely upon solder to maintain their position; a loose wire could reduce creepage distances and clearances; - it has inadequately sized pins which could cause damage to the socket and the adaptor that could result in live parts being exposed. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60950.

Product category **Toys**

Type **Consumer**

Product **Toy gun set**

Name **City Warrior**

Brand **Unknown**

Type / number of model **Item N°:2251**

Batch number **5999880492539**

Product description **The set includes: 1 black gun; 3 black projectiles with red suction cups; 1 target from three-part. Packaging: the product is fixed to a cardboard sheet.**

Risk type **Chemical
Choking**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a chemical risk because the material of the suction cups contains 5.5 % by weight of di-(2-ethylhexyl) phthalate (DEHP) and 0.23% by weight of dibutyl phthalate (DBP). The product poses a risk of choking because the suction cups could be placed in the mouth by children and block the airways. According to the REACH Regulation, the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited in toys or childcare articles that can be placed in the mouth by children. The product does not comply with the Toy Safety Directive and with the relevant European standard EN 71-1.
