Product skateboard

Name Disney Verdák (Cars)

Brand Disney

Type / number of model Model: KDS-3108PP

Batch number Bar code: 5998273716276

Product description Four-wheeled, skateboard decorated with cars pattern (Cars). The product has black plastic suspension and red plastic wheels. Load capacity: 20- 50 kilograms Packaging: transparent foil

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply In case of shock, the layers of the surface area of the skateboard can get partially separated from each other, the axle can bend and the plastic suspension can break, which can cause accidents.

Product Children's shorts

Name Unknown

Brand AD Miring

Type / number of model Model: TK-915

Batch number Bar code: 5550298200729

Product description The girl's shorts are decorated with stars and inscriptions: "pietty". The waist part of the shorts includes unattached drawstring with knots on the ends. Size: 134-164

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries to children due to the presence of unfixated drawstring with knots on the ends in the waist area. The product does not comply with the relevant European standard EN 14682.

Product Energy saver

Name Ahorre Electricidad y Dinero

Brand JRD

Type / number of model Model: SE-001

Batch number Bar code: 76196819-8

Product description Energy saver product made of black and silver plastic. Two green LEDs indicate the operation of the device. In the lower half of the casing there is a built-in plug. Packaging: colourful cardboard box.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The user may suffer an electric shock if they touch the two pins of the device at the same time immediately after disconnecting. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60335.

Product Rechargeable torch

Name Latarka

Brand Vizion

Type / number of model Model: 602

Batch number Bar code: 6 950576 600705

Product description Rechargeable torch with 8 LEDs. The battery can be charged by means of a built-in mains cable. Packaging: cardboard box.

Risk type Burns
Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The cross sectional area of the wires in the mains supply cable is too small and in case of a short circuit, the wires may overheat and can cause burns. The dimensions of the plug are less than required and therefore the user may touch the pin of the plug during connection. The mains supply cable is not adequately protected against pulling and twisting and the live wires may therefore become free and accessible. Live parts are accessible during charging. The product does not comply with the Low Voltage Directive and the relevant European

standard EN 60598.

Brand Happy! Just Cool

Type / number of model Model: HL-KS-015

Batch number Bar code: 5998273718331

Product description Foldable, pink-white, flowered, two-wheeled, aluminium scooter with friction brake on the rear wheel. The product is decorated with an inscription: "pink". Load capacity: max 20 kg Packaging: cardboard box

Risk type	Injuries
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The product poses a risk of injuries due to the fact that the folding mechanism and fastening structure of the scooter can break and the steering column be bent when some strength is applied. Moreover, the diameter of the first wheel of play scooter is too small and can consequently get stuck on uneven surfaces. The diameter of the steering handle's ends is also too small, so that the hands of the child can slip off. Therefore, the user may fall and suffer injuries. In addition, the holes and slots of the product can cause the entrapment of the child's fingers. Due to this the child can suffer injuries. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Name Mini USB Charger

Brand Unknown

Type / number of model Unknown

Batch number Unknown

Product description Mains USB power supply with USB car adaptor and cable. Indicated on packaging: "For iPhone 5" (NOT ORIGINAL PRODUCT).

Risk type Electric shock
Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The electrical insulation of the mains USB power supply is not sufficient. The clearance and creepage distance is too short between the primary and secondary side. The enclosure could easily catch fire. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60950.

Production dates The vehicles in question were manufactured between 13 January 2005 and 25 February 2009.

Product description Motorcycles

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply Due to poor tolerances, there can be exceptionally high wear of the rear-wheel bearings. If the wear goes unnoticed for a long time, this could in exceptional circumstances result in the rear wheel locking with the risk of the rider falling from the motorcycle.
