Brand **Scooby Doo**

Type / number of model **Unknown.**

Batch number **Batch: BBZ1, EAN: 5906881426944**

Product description **Chocolate Surprise Egg containing a toy (pendant). 20g. Best before: 31.12.2013.**

Risk type **Chemical Choking**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a chemical risk due to the presence of bis(2-ethylhexyl phthalate) (DEHP) in the toy pendant inside the surprise egg (21.2 %). According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited in toys or childcare articles that can be placed in the mouth by children. Moreover, the product poses a risk of choking as small elements of the egg capsule can easily be detached and could be swallowed by children. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Product description

Portable radio with alarm clock. Black plastic housing a black plastic handle and a telescopic metal antenna. It operates on mains or with batteries. Packaging: colourful cardboard box.

Risk type

Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

During normal use of the product, the live parts of the mains lead can be touched since the dimensions of the socket outlet and the flat plug are not suitable. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60065.

Brand **Kocmoc**

Type / number of model **Model: YM-007**

Batch number **Bar code: 6 905348 060072**

Product description **Rechargeable torch with 7 LEDs. The housing is made of yellow plastic. The battery can be charged via the built-in plug with an attached plug adapter. Packaging: colourful cardboard box.**

Risk type **Burns
Electric shock
Fire**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The dimensions of the built-in plug and the adapter are not appropriate. When plugging into the mains, the user may touch the live pins of the plug. The plug adapter allows single-pole insertion of a plug, leaving the remaining free live pin accessible. The lamp cover can be removed by hand during charging, leaving live parts accessible. The cross sectional area of the internal wire cores is too small. In case of a short circuit, the internal wires may overheat. The plastic part near the pins is not sufficiently resistant to heat and fire and may therefore catch fire. The product does not comply with the Low Voltage Directive and the

relevant standards EN 60598 and IEC 60884.

Frostschutz Scheibenreiniger

Brand

PPH Magmar

Type / number of model

Unknown

Batch number

5901549216332

Product description

clear, transparent bottle (ca. 22 cm height, 1l), blue liquid, blue cap

Risk type

Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a chemical risk as the methanol content of the product is far higher than label or SDS claim (according to analysis 20,5%). The product is toxic. Moreover, the product does not comply with the Regulation on the classification, labelling and packaging of substances and mixtures (CLP) as there is neither childproof cap nor tactile danger symbols, and the product lacks the correct labelling.
