Product Children's trousers

Name Unknown

Brand 4F

Type / number of model T4Z12-JSPMD200

Batch number 5900416923335

Product description On the sides and at the back of the trouser pockets there are sewn-in zippers. On the right leg there is a symbol "4F". There is a wide rubber band and drawstring inside the waist of the trousers. Length of the free ends of the drawstring: 290 mm (size 122 cm), 145 mm (size 146 cm), 95 mm (size 152)

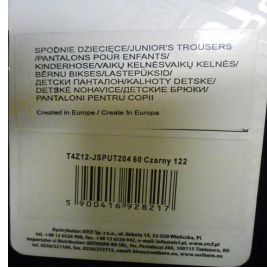

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The trousers pose a risk of injuries due to the presence of non-fixed cords in the waist area. Furthermore, the cords in the trousers of size 122 and 146 are too long and may cause injuries if, for example, they catch on playground facilities or other moving objects. The product does not comply with the relevant European standard EN 14682.

Country of origin People's Republic of China

Product Children's trousers

Name Unknown

Brand 4F

Type / number of model T4Z12-JSPUT204

Batch number 5900416928217

Product description Black trousers for sport with pockets in the back and a wide rubber elastic band inside the waist part of the garment. Sewn-in zips are present both in the back pockets and in the legs.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries because the zip pullers are too long and they protrude below the bottom edge of the garment. The product does not comply with the relevant European standard EN 14682.

Product Plastic doll

Name Fad Girl

Brand Guangda

Type / number of model Item No. 105

Batch number 8594167132244

Product description Plastic doll of about 25 cm, available in four different types with the head and the body in white, purple, green and brown colours respectively, and with accessories. The products are supplied in a cardboard box with a transparent window.

Risk type	Chemical
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The product poses a chemical risk because the head of the doll contains di-(2-ethylhexyl) phthalate (DEHP) and di-n-butyl phthalate (DBP) above the permitted levels (measured values: 7.23 % by weight DEHP, 0.19% by weight DBP). In addition it contains diisononyl phthalate (DINP) (measured value: 8.74% by weight). According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited in toys or childcare articles that can be placed in the mouth by children.

Product Decorative candles

Name Unknown

Brand Trend

Type / number of model N° :10139165, N° :10140253, N° : 0140277 and N° :10139189.

Batch number 9004181144189, 9004181185359, 9004181185366 and 900418184772.

Product description Decorative candles in the shape and colour of fruit (orange and apple). A label is attached on the candle with the inscription "Trend" and a picture of the sun.

Risk type	Choking
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The product poses a risk of choking as, due to its characteristic form, colour and size, it may be mistaken for foodstuff. Small parts can be easily detached from the product and this may lead children to put them in the mouth, swallow, suck or ingest them, which could entail the risk of choking. The product does not comply with the Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.
