Product Magnetic box

Name JUNIOR'S Formen und Figuren ( Junior's shapes and figurines)

Brand Oberschwäbische magnetspiele

Type / number of model Article N°: 5054

Batch number 4035887050547

Product description Metal box containing magnets made of painted wood representing geometric forms and figures. Size: 33 cm x 18.5 cm x 1.5 cm. Recommended age: + 2 years.

Risk type Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of choking because small elements are easily detachable (the figurines of woman, boy, pine tree and rabbit) and could be ingested or inhaled, put in the mouth by children and block the air supply. The product does not comply with the Toy Safety Directive and the relevant European standard EN 71-1.

Product Soft toy

Name Clémentine La Vachette

Brand Cocktail Scandinave

Type / number of model BO282-065

Batch number 3661745044864

Product description Soft toy in the form of a cow.

Risk type Choking  
Suffocation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The stitching of the product is not sufficiently resistant: fibrous filling material could be easily accessible and small children could choke on them. The plastic packaging is too large and thin and this may pose a risk of suffocation to children. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Brand WANDISI

Type / number of model Art.No S612/6823

Batch number 4750848104762

Product description Music camera made of yellow, white and red plastic. The toy is battery-operated and produces different sounds when the buttons are pressed. Approximate size of toy: 12 cm x 8 cm.

Risk type Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply When under tension, the plastic camera flash can be detached and split into different small parts. Detached small parts may be put by children into their mouth, get stuck and block the airways. The toy does not comply with the Toy Safety Directive and the relevant European standard EN 71-1.

Batch number 5704035810102

Product description Black sensory swing with a diameter of 95 cm. The swing should be hung in the accompanying hooks. The maximum load is 100 kg.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries because of the inappropriate dimension and design of swing elements, which can lead the child to fall or to be injured after an impact from swing elements. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Country of origin People's Republic of China

Product Pram chain

Name Unknown

Brand Smallstuff

Type / number of model with 3 red elephants, fab 3

Batch number 2531000000812

Product description Pram chain with 3 red elephants in textile. The pram chain is about 48 cm long. The cord is a red elastic with large red and orange wooden balls as well as the 3 red fabric elephants. At both ends there is a clip to secure the pram chain.

Risk type Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of choking because a child could easily access and remove the fibrous material used to stuff the toy and put it into the mouth. The fibrous stuffing can get caught in the child's larynx and block the respiratory tracts. Moreover, the eyes of the elephant soft toy can be detached and put in the mouth by children, which could also pose a risk of choking. The product does not comply with the requirements of the Toy Safety Directive and the relevant

European standard EN 71-1.

Product Dog training collar

Name Dog Training Collar

Brand Trainer

Type / number of model E513/523/533. Model number on charger is KS-878.

Batch number EBARKSC11UK\*E020131006

Product description Electronic dog collar with transmitter receiver kit with a USB lead and 3 pin charger. This product comes in a blue box.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The internal insulation of the power supply does not provide adequate insulation between the input and output circuits. Internal connections are inadequate which could reduce creepage distances and clearances. The dimensions of the pins are not correct and as a result excessive force is required to insert the power supply into and remove from a socket which could result in live parts being exposed. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60950 and the relevant national standard.
