Product Extension lead

Name C-Base

Brand CEbrik

Type / number of model KF-H1 (on the plug)
KF-HBY2-1 (on the socket)
Ref. 47002

Batch number 8436038003928

Product description Single-socket extension lead, 1.5 meters, supplied in a clear plastic bag.

Risk type Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The dimensions of the sockets allow for insertion of plugs with higher power intensity than supported. The insulation of the flexible cable is insufficient. The product may thus overheat and catch fire if connected to a high-powered device. The product does not comply with the requirements of the Low Voltage Directive and the relevant national standard UNE 20315.

Product	Eau de Parfum and Shower Gel set
Name	Pink Dragon for Woman
Brand	Streets Looks
Type / number of model	Pink Dragon for Woman
Batch number	EAN 66556001511000000300
Product description	Set containing one bottle of eau de parfum (85 ml) and one tube of shower gel (50 ml)
Risk type	Chemical
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The product poses a chemical risk due to the excessive levels of 5-chloro-2-methyl-isothiazol-3(2H)-one and 2-methyl-isothiazol-3(2H)-one in the shower gel (4 mg/100g). The product does not comply with the Regulation (EC) No 1223/2009 on Cosmetic Products as the maximum permitted level of 0.0015% is exceeded.

Product Elastic straps

Name Unknown

Brand BRICOTECH

Type / number of model F0034C (9mmx150)

Batch number 8433774507857

Product description Blue elastic strap with metal snap-hooks on each end. The product is supplied attached to a yellow and black cardboard.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The snap-hook can easily detach from the strap when under tension. This may cause injuries to the user or the luggage to fall, which may lead to a traffic accident. The product does not comply with the relevant standard BS AU 258.

Product Fancy dress costume

Name Robin de Los Bosques / Reino Medieval

Brand Rubie's

Type / number of model Ref. 503103

Batch number 8422971531031

Product description Robin Hood-style costume for children of 1-2 years, which includes a hat, trousers and boot covers in various shades of brown, and a green tunic with cords at the neck. The article is supplied on a hanger and covered with a bag made of clear plastic material with a cardboard label.

Risk type Strangulation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of strangulation because of the presence of cords in the neck area. The product does not comply with the relevant European standard EN 14682.

Country of origin

People's Republic of China

Product category Toys

Type Consumer

Product Plastic toy bird

Name Unknown

Brand PR (Pérez y Rincón)

Type / number of model Ref.: 992 EXP.6

Batch number 8435331309928

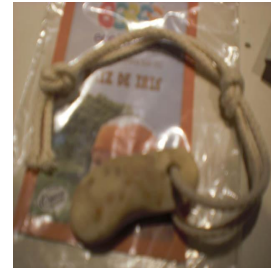

Product description Plastic toy in the form of a pelican: the beak is a container with dragging mechanism and plastic balls. The product is supplied without packaging.

Risk type Choking
Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product can easily break and release small parts, which can be ingested by children who may choke on them. In addition, the product poses a risk of injuries because children may easily access the crank while the wheels are turning. This may cause pinches or lacerations. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Type Consumer

Product Iris root teether

Name Mordedor de raíz de iris

Brand Bebés Ecológicos

Type / number of model Unknown

Batch number 9006720640107

Product description The product is a natural teether for babies. It is packed in a clear plastic bag with a card label indicating 'Bebés Ecológicos', the use of iris root and a photograph of a baby.

Risk type Health risk / other
Strangulation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply Although the label states that the teether is not a necklace and the cord has a knot, the latter can easily be undone, so that it would be perfectly possible for it to coil round a baby's neck, therefore posing a risk of strangulation. In addition, the composition of the iris root and the form of use (sucking) mean that it may become contaminated, which would damage the oral mucosa.

Product Candles

Name Unknown

Brand Home Master

Type / number of model Ref. 06010-21

Batch number 8435202060101

Product description Decorative coloured candles in the shape of fruit (mandarins, apples and lemons). The products are supplied in plastic blister packaging containing four units.

Risk type Choking

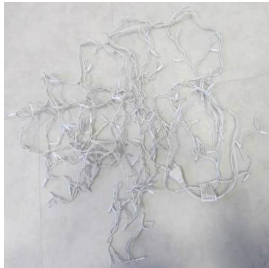

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The products are attractive to children as they resemble foodstuff. Children can bite them and small parts may easily come off: if ingested the small pieces may get stuck and obstruct the airways. The products do not comply with the Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.

Product description Children's battery-operated piano with lights and sounds packed in a coloured cardboard packaging

Risk type Burns
Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of burns as the short-circuit of the electrolytic capacitor fitted to the printed circuit board causes overheating of the batteries above the permitted limit. In addition, the warnings required for toys with replaceable batteries are incomplete. The product does not comply with the requirements of the Toy Safety Directive and with the relevant European standard EN 62115. The product also poses a chemical risk due to the excessive level of DEHP in the toy's internal electrical wiring (measured value: up to 8,9%).

According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited in toys or childcare articles that can be placed in the mouth by children.

Product Nail modelling product

Name LENZ 3000 SERIES Liquid, HIGH PERFORMANCE

Brand LENZ

Type / number of model Unknown

Batch number D0216-A117 (Overprint on container)

Product description White plastic bottle with a screw cap. On the label of the product there are inscriptions: Professional Liquid, 1 gallon, New Low Odor. Ingredients: Acrylic Ester Monomers, Dimethyl-p-toluidene, MEHQ.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a chemical risk because it contains 90.2% methyl metacrylate (MMA). In its "Health assessment of nail modelling cosmetics containing methyl metacrylate" of 22 December 2011, the Bundesinstitut für Risikobewertung (BfR, Federal Institute for Risk Assessment) considers methyl metacrylate present in concentrations of 80-90 % in the nail modelling cosmetics to be harmful to health due to the high sensitizing potential, which can also cause ongoing damage to

nails.
