Product Rattle

Name Unknown

Brand Legekilden

Type / number of model P044019

Batch number Unknown

Product description Maracas rattle made of wood and painted in many bright colours. The rattles are supplied in transparent packaging, in two units, each is approximately 20 cm long.

Risk type Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The handle of the rattle is too long: children may put it in the mouth where it may get stuck and obstruct the airways. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Brand ID ITALIAN DESIGN

Type / number of model 013440-12 (16 mm)

Batch number Unknown

Product description Electric hair tongs, white with pink tips and metallic middle. Packaged in a black and pink cardboard box.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply Covers used as additional insulation are not securely fixed in position. Conductors are connected only by solder with no other means of fastening to guarantee that they are held in position. Because of these defects there is a risk that the user might touch live parts. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60335.
