Product Plastic doll

Name Fashion Vogue Girl

Brand Unknown

Type / number of model No.2210

Batch number 4894302000396

Product description Plastic doll with blond hair and blue eyes wearing a blue dress. The toy is made of flexible plastic, approximately 29 cm long. The doll is packed in a cardboard box with a transparent window.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a chemical risk because it contains di(2-ethylhexyl) phthalate (DEHP) above the permitted levels (measured value: 25.9% by weight). According to the REACH Regulation, phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited when the toy or the childcare article can be placed in the mouth by children

Product Toy bubble gun

Name Les Bulles (the bubbles)

Brand B&G International

Type / number of model Réf : 21897

Batch number CF 110060

Product description Luminous soap bubble gun in the shape of a dolphin, without a pump system, functioning with button batteries and provided with a plastic bottle containing bubble liquid in a blister pack. Dimensions: gun: 17x14 cm, bottle: height 6 cm, diameter 4 cm.

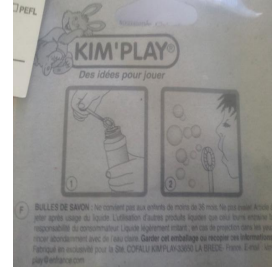

Risk type Chemical
Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of choking because the plastic envelope containing the button batteries can break easily, allowing access to the batteries which can be easily swallowed by children. The product poses an electro-chemical risk because the ingestion of the batteries could enact a short-circuit in the digestive system when they come into

contact with liquids. The product does not comply with the Toy Safety Directive and the relevant European standard EN 62115.

Product Soap bubbles

Name Bulles de savon (Soap bubbles)

Brand KIM PLAY

Type / number of model 2187 and 1187

Batch number Unknown

Product description The product consists of two plastic tubes containing a liquid for making bubbles using a plastic accessory. The product is packed in a cardboard and plastic blister wrap.

Risk type Microbiological

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a microbiological risk because the total aerobic microbial count in the soapy water is too high. There is a risk of infection if the liquid is swallowed or comes into contact with the skin. The product does not comply with the Toy Safety Directive.

Product Cradle chain

Name Unknown

Brand Trousselier

Type / number of model V1500 02

Batch number Lot No 06 07 13

Product description Cradle chain composed of 2 sheep, 1 moon and two woollen balls on a cord with wooden beads at the end.

Risk type Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of choking because small parts (the wooden beads) may easily detach and be swallowed by small children. In addition, the product poses a risk of strangulation as the carer is not sufficiently warned to remove the chain once the child is able to get up on its hands and knees. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Product description Plastic toys in the form of a fish, a lobster and a crab.

Risk type Choking

The products pose a risk of choking because small parts (the

Legal provisions (at EU level) and European standards against which the product was tested and did not comply	fish's eye, the front wheels of the lobster and the crab) can easily detach and be swallowed by small children. The product does not comply with the Toy Safety Directive and the relevant European standard EN 71-1.

Product Pirate costume set

Name Pirates series

Brand Unknown

Type / number of model No. 5605A

Batch number 3856007564956

Product description Pirate costume set which consists of a mask, a plastic gun, a plastic spyglass and plastic golden coins. The set is packed in a plastic transparent bag closed with a cardboard piece at the top with the inscription "Pirate series - blue domain whose is king".

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The mask presents sharp edges, especially around the eye holes. As the eyes and eyelids are very sensitive parts of the body, a child can be injured when putting on and removing the mask. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

8051566096893

Product description Plastic squeezable toys without packaging in various fluorescent colours and of various shapes and diameters containing LEDs that become illuminated at the moment of impact. The toys that are spherical in shape bear a design showing a face with eyes.

Risk type Choking
Damage to sight

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The capsule containing the electrical circuit and the batteries is easily accessible due to insufficient mechanical resistance. The batteries and small removable balls that can easily be detached from the toy can be put in the mouth by children and may get stuck and block the airways, posing a risk of choking. The products also pose a risk of damage to sight since the toys produce blue LED higher than Class 1, which may damage the retina. The products do not comply with the requirements of the Toy Safety Directive and the relevant European standards EN 71-1 and EN 62115.

Children's bicycle

Name

Flower - Classic

Brand

Unknown

Type / number of model

Model: V501

Batch number

5998273717525

Product description

Pink and white young children's bicycle decorated with ladybirds and flowers. The bicycle is equipped with stabiliser wheels. Product dimensions: seat height: 500 - 565 mm; wheelbase: 595 mm; wheel size: 12x2, 4". Weight of the product: 7 kg.

Risk type

Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The stabiliser wheels are too close to the frame and can easily bend, which may cause imbalance and the children may fall. In addition the product poses a risk of injuries because: - the steering-wheel's welding has sharp edges; - the chain is not sufficiently covered: clothes may get caught and suddenly block the bicycle; - the saddle is not sufficiently strong. The product does not comply with the relevant European standard

EN 14765.

Name Unknown

Brand Pyroguard and Pyranova (COUNTERFEIT PRODUCT)

Is the product counterfeit? Counterfeit

Type / number of model Unknown

Batch number Unknown

Product description Building glass used in windows, doors and partitions/screens. Glass may be stamped with small round stamp stating '7mm/11mm Pyroguard' at the top of stamp 'Glassworks Ireland' in the middle and 'EN 14449' at the bottom of stamp. Alternatively, the glass may be stamped 'Safety Glass - BS 6206' (*PI

Risk type Fire

Legal provisions (at EU level) and European standards against which the - Due to no fire resisting properties, the products pose a risk of fire to persons using the buildings where the building glass has been installed. Where ordinary laminate glass has been

product was tested and did not comply

used instead of genuine Pyroguard or Pyranova glass, the risk is even more significant. Not only will the fire not be contained by the glass, it is expected that the petroleum based laminate will actually facilitate the spread of the fire. - On the occasion where the counterfeit glass has some fire resisting properties, it is likely that the product will not contain the fire for the time period which is required for that building. The placing of these construction products on the market does not comply with the procedures set in the Construction Products Regulation.
