Product Children's chair with pens

Name Fauteuil à colorier (Chair toy for colouring in)

Brand Cocktail Scandinave

Type / number of model Girls' chair Ref.n°: BO536-005; Boy's chair Ref.n°: BO536-006

Batch number Code EAN: 3661745044222

Product description Children's chair, with 8 felt-tip pens.

Risk type
Chemical
Choking
Cuts

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product poses a chemical risk due to the excessive presence of Di (2-ethylhexyl) phthalate (DEHP) (4% by mass). In addition, the product contains Di-isononyl phthalate (DINP) (0.9% by mass). According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited in toys or childcare articles that can be placed in the mouth by children. The product also poses a risk of choking due to the presence of small parts (the tops of felt-tip

pens with thick tips) that can be ingested or inhaled by children. In addition, the product poses a risk of cuts due to the presence of accessible sharp edges and non-functional spikes (one of the metal rivets is poorly deburred) which could injure users. The toy does not comply with the Toy Safety Directive and the relevant European standard EN 71-1.

Product description Oil lamp made of red and transparent glass with metallic burner and filler cap.

Risk type Chemical
Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product may easily break and cause a fire. The product poses also a chemical risk because its design allows easy access to the lamp oil, which may lead small children to drink it. In addition, information and warnings in the package are insufficient. The product does not comply with the REACH Regulation and the relevant standard EN 14059.

Product Set of plastic horses

Name Super horse

Brand RONG

Type / number of model MKA6403473; No: 325

Batch number 3856007575730

Product description Two plastic horses packed in a transparent plastic bag closed with cardboard piece. The bigger horse is black and has black saddle upon red material, the smaller horse is white.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a chemical risk because the plastic material contains DEHP and DBP above the permitted levels (measured values: 2,2% and 4,9%). In addition, the product contains DINP (0,38%). According to the REACH Regulation, the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited in toys or childcare articles that can be placed in the mouth by children.
