Product Water absorbent crystals

Name Seven Color Crystal Ball

Brand Unknown

Type / number of model Unknown

Batch number Batch n°: 22/5826; Barcode: 2009120311490

Product description Expanding balls similar to colourful sweets. The balls contain plant nutrient. The balls are in 7 different colours: yellow, cyclamen, red, black, green, orange, white. Product diameter: 4 mm. Product packaging: cellophane bag.

Risk type Choking
Injuries

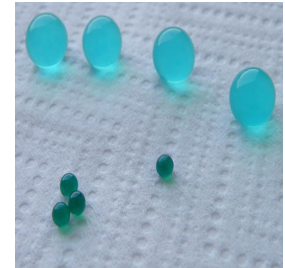

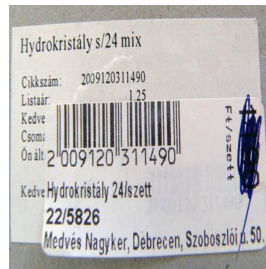

Legal provisions (at EU level) and European standards against which the product was tested and did not comply Due to its characteristic form, colour and size, the products may be mistaken for foodstuff. This may lead children to put them in the mouth, suck or ingest them. The balls expand when soaked and if the balls are ingested by child they could cause fatal occlusion of the digestive system. In addition, the balls may be put in the mouth by small children, get stuck and obstruct the airways, posing a risk of choking. The product

does not comply with the Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.

Product Plastic doll

Name Mini Beauty

Brand Unknown

Type / number of model Item No.: NL-F2306/2009
Model No.: F 125 HKH

Batch number 5600360001003

Product description Small plastic doll of about 10 cm with long pink wavy hair and a pink dress. The doll is designed as a pendant, as it has an eyelet with a strap on the head.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a chemical risk because the head of the doll contains di-(2-ethylhexyl) phthalate (DEHP) above the permitted levels (measured value: 22.2% by weight). According to the REACH Regulation, phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited when the toy or the childcare article can be placed in the mouth by children.

Product Oil lamp

Name Unknown

Brand MARS SVRATKA

Type / number of model 0063

Batch number EAN code: 8595004100631

Product description Decorative kerosene lamp made of glass and metal with a round mirror. Packed in a green cardboard box with marking MARS SVRATKA and a picture of product on the front side.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of accidental chemical poisoning because the design of the product allows easy access to the lamp oil, which may lead small children to drink it, causing serious damage to lungs. The product does not comply with the REACH Regulation and the relevant standard EN 14059.
