Product Toy chemistry set

Name Chimie Sans Danger! (Chemistry without danger)

Brand BUKI

Type / number of model Réf. 8360

Batch number Batch No (toy) : 14 01 2013

Product description Chemistry set packed in cardboard box. Available on the market since March 2013

Risk type Microbiological

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a microbiological risk because it is contaminated by an excessive amount of pathogenic micro organisms such as Aerobic mesophilic bacteria and *Pseudomonas aeruginosa*, which could cause infections or diseases in children with low immunity. The product does not comply with the Toy Safety Directive.

Product Radio controlled car

Name Race Master Need of speed

Brand Imagin

Type / number of model Ref. n°1681; 2015A (black), 2016A (red), 2017A (blue) 2018A (yellow)

Batch number Lot CO: 1303

Product description Fully functioning radio-controlled car, 1/20 scale, operates with 4 x LR6 1.5 volt batteries and 2 batteries for the remote control. Various colours and models (black, red, yellow, blue). Age recommended on the Imagin label 5+, age indicated on

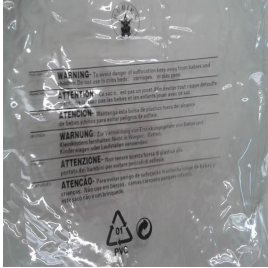

the packaging 6+. Dimensions with packaging 27 x 11 x 1

Risk type	Burns Chemical
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The battery compartment of the remote control can easily break leaving the small button batteries accessible. If ingested by children, the batteries may pose a chemical risk. The product poses a risk of burns because the rechargeable battery may overheat. In addition, the relevant marking is missing. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 62115. The car wheels contain the phthalates bis (2-ethylhexyl) (DEHP) (4.65 %) and DBP (dibutyl phthalate) (0.62 %). In addition, the product contains the phthalates DINP (di-isononyl phthalate) (2.62 %) and DIDP (di-isodecyl phthalate) (0.78 %). According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited in toys or childcare articles that can be placed in the mouth by children.

Brand iCom Poland

Type / number of model Unknwon

Batch number 10201300816449  
6900008164497

Product description Set of toys consisting of a transparent plastic bag containing various kitchen utensils made of coloured plastic.

Risk type Chemical  
Environment

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a chemical risk due to the excessive presence of Di (2-ethylhexyl) phthalate (DEHP) in the plastic material of the bag (12 % by mass). According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited in toys or childcare articles that can be placed in the mouth by children. The product poses an environmental risk (chemical pollution) because the plastic bag contains 0.88% short chain chlorinated paraffins (SCCPs).

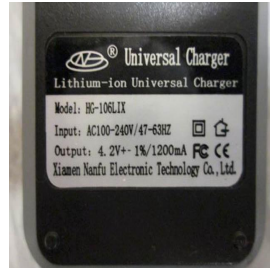

The product does not comply with the Commission Regulation 519/2012 on persistent organic pollutants (POP Regulation).

Product Baby's coat

Name Unknown

Brand Kuailebaobei

Type / number of model Model: GB/T2662-2010

Batch number LOT No 3100140

Product description Pink hooded coat with zip for babies. The coat is lined with artificial fur. The hood includes not fixed elastic drawstring with knots and metal toggles on the ends.

Risk type Injuries  
Strangulation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of strangulation due to the presence of a drawstring in the neck area. In addition, the product poses a risk of injuries as the elastic drawstring with knots and toggles on the ends may get caught, stretch, loosen again and flick back into the child's eyes. The product does not comply with the relevant European standard EN 14682.

Product category Toys

Type Consumer

Product Toy musical instrument

Name Wooden Music Table

Brand EDUFUN

Type / number of model Order No: 16187  
Ref. 5002

Batch number 6942397350020

Product description The wooden music table includes a xylophone, a tambourine, a kettledrum and a small cymbal. The product is supplied in a cardboard box and needs to be assembled before use.

Risk type Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of choking because the small pin of the cymbal can easily detach and be swallowed by small children. In addition, the instructions and warnings for assembly are not translated. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.
