Product **Moveable scaffolding**

Name **Universal aluminium folding roller scaffold**

Brand **Würth**

Type / number of model **Article No: 0962931700**

Batch number **4045727053232**

Product description **Height-adjustable, working platform with 4 lockable steering rollers for work at low heights (< 2m).**

Risk type **Injuries**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product is sold without safety railings and assembly supports, which are only offered for sale as an option. Without these, the scaffold may tip over, and safe use (mounting, descending, working at a height, etc.) is not possible. The safety information is not appropriate and the contact address is incomplete. The maximum permissible load indicated is "2 persons" whereas according to the assembly instructions, as well as the "Prüfgrundsätze für Kleingerüste" (testing principles for small scaffolds), only one person is permitted.
