Product category Gas appliances and components

Type Consumer

Product Gas stove

Name Camping Kookset Blowcase

Brand Höfftech

Type / number of model BDZ-155-A (ZA-2)

Batch number Unknown

Product description Metal, single burner, portable gas stove for use with a non-refillable gas cartridge. Packed in a black plastic carry case with a colourful paper sleeve.

Risk type Burns

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The temperature of the gas cartridge in the appliance becomes too high during normal use with a large frying pan. This poses a risk of an explosion of the gas cartridge. In addition, the gas cartridge can easily be inserted in a wrong manner allowing gas to escape. The product does not comply with the requirements of the Gas Appliances Directive.
