Product **Electric coffee maker**

Name **Electrical Brewing Pot**

Brand **Hometech**

Type / number of model **NE-200**

Batch number **5605645287714 (on the package)**

Product description **The product consists of two parts. The first part is a metallic, cover-less coffee pot with a handle on the side. The second part is a metallic base with a mains lead on the side. The product comes in coloured cardboard packaging.**

Risk type **Burns  
Electric shock**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **During abnormal operation, the thermal fuse fails to operate in time, allowing generation of excessive heat at the plastic base. This can lead to a fire and can leave live wires exposed. In the event that the product is operated beyond a certain time, the pot could overflow when it is lifted from the base. There is consequently a risk that the user may be scalded. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60335.**

Product description **Plastic dolls, about 10 cm tall, with different hair (eg. blond, blue, lila).**

Risk type **Chemical**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The products pose a chemical risk because the heads of the dolls contain di-(2-ethylhexyl) phthalate (DEHP) (measured values up to: 11.6% by weight). According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited in toys or childcare articles that can be placed in the mouth by children.**

Product **Plastic doll**

Name **Celina**

Brand **Oberndorfer Puppen**

Type / number of model **6924**

Batch number **4 020972 069245  
Batch No: 119**

Product description **A soft plastic doll, with a plastic head and limbs, wearing a pink dress, cream jacket and two hair ties with plastic teddy bear decorations. A soft-filled bear is attached to the right arm of the doll. The item is supplied in a cardboard box with a viewing window.**

Risk type **Choking  
Cuts  
Injuries**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The hair ties are small parts and the buttons on the doll's jacket can easily detach: this could pose a risk of choking to small children. The arms of the doll could detach and expose a sharp metal wire which could cause injuries and cuts. One incident reported. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.**
