Type Consumer

Product Lighting chain

Name 144 LED Light

Brand Unknown

Type / number of model 1.2x1.6M/LED

Batch number 5 792013 038105

Product description Lighting chain with 144 LED lamps. The unfolded lighting chain forms a 12 LEDs x 12 LEDs square-shaped net. Packaging: colourful cardboard box.

Risk type Burns
Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The cross sectional area of the external and internal wires is too small and the wires could overheat. The wire ends soldered to the terminals of the flashing unit and the LEDs are not adequately protected against pulling and twisting. The accessible basic insulated wires can come into contact with sharp edges of the flashing switch and control unit. The product is not protected against moisture but is recommended for outdoor use. The product does not comply

with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Product USB charger

Name Unknown

Brand Unknown

Type / number of model A1300

Batch number Unknown

Product description White charger with USB socket. Input 100-240V, 50/60Hz, 0.15A. Output: 5V, 1A, class II. Marked with: "Designed by Apple in California". Sold without packaging. (NOT ORIGINAL PRODUCT)

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply Due to non-adequate insulation between the primary and secondary circuits, the mains voltage of 230V can be on the accessible parts of the USB output. A person could touch these parts and receive an electric shock and may be electrocuted. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60950-1.
