Product category Machinery

Type Professional

Product Compact tractor

Name Ventrac 3200

Brand Ventrac

Type / number of model 3200 diesel

Batch number Unknown

Product description Compact tractor which can be used with several types of interchangeable equipment such as rotary lawn mowers, dozer blades and buckets for use as an earth mowing machine.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply Due to the minimal gap between the front and back part of the machine, there is a risk that persons (operator and passengers) get their limbs crushed when the machine is turning. There is a risk of amputation of fingers at the belt drive, which is not protected by means of guards or other protective devices. If the machine is used on steep slopes or uneven terrain, the machine can roll or tip over. If the machine rolls or tips over, there is a serious risk that the

operator is getting crushed by the machine. The product does not comply with the requirements of the Machinery Directive 2006/42/EC.

Product category Gas appliances and components

Type Consumer

Product Portable Gas Stove / Cassette Cooker

Name Unknown

Brand Gelert

Type / number of model BUR011(BDZ-160)

Batch number Z961/32058

Product description It is a metal, single burner, portable gas stove for use with a non-refillable gas cartridge. It's packed in a black plastic carry case with a colourful paper sleeve.

Risk type Burns
Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The gas cartridge overheats during use of the appliance with a pan. It could consequently explode. In addition, it can easily be inserted in a wrong manner allowing gas to escape. The product does not comply with the requirements of the Gas Appliances Directive and the relevant European standard EN 521.

Product description Rechargeable torch with 7 LEDs. The body of the rechargeable torch is made of yellow plastic, with a black operating button and a red charge indicator lamp. The black cover for the LEDs can be unscrewed. The battery can be charged by means of the telescopic pins of the built-in plug. Technical param

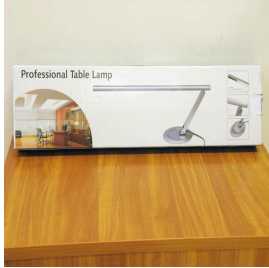

Risk type Electric shock
Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The pins of the built-in plug do not have an insulating collar; when inserting the plug the user may touch the live pins. The black cover for the LEDs can be removed by hand during charging leaving live parts accessible. The cross section area of the core of the wires is less than required; in case of short circuit the wires may overheat and can cause a fire. The heat

and flame resistance of the insulating material that hold the pins of the built-in plug in position is not sufficient which could lead to fire. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Packaging: cardboard box.

Risk type Cuts
Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The accessible metal parts of the lamp head are separated with only basic insulation from the live parts. If the wire ends should become free and an internal short circuit occurs, the fluorescent lamp may explode causing cuts to users. The product does not comply with the Low Voltage Directive and the relevant European standards EN 60335 and EN 61199.

Product Wireless connector and wireless booster

Name AirTies SC201 Sky Wireless Connector and AirTies SB601 Sky Wireless Booster

Brand Sky

Type / number of model Wireless connector: SC201. Wireless booster: SB601. AC/DC adaptor: S06A27-050A100-PB.

Batch number Unknown

Product description The wireless connector permits a wireless connection between the broadband router and the Sky set top box. The wireless booster extends the Wi-Fi signal to other areas of the home. Supplied with a power adaptor (a mains power supply unit).

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The power adaptor connected to the wireless connector and booster may have two screws missing which could cause the two halves of the adaptor to separate and expose the internal wiring. The product does not comply with the requirements of the Low Voltage Directive and the relevant national standard.

Product Plastic gun with arrows

Name Soft bullet gun

Brand Unknown

Type / number of model NGTC 035979 / NO.0619

Batch number 6991200359798

Product description Hard plastic set consisting of a green toy gun in the shape of a car and a spring ejector, three black arrows with pink, translucent, polymer suction cups at the end and a shooting target on the cardboard packaging.

Risk type Choking
Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries because the suction cups can be easily detached, thus, if the projectile is fired without the suction cup it could hit someone in the face and eyes. The detached suction cups also pose a risk of choking. The product does not comply with the Toy Safety Directive and with the relevant European standard EN 71.

Product Butterfly headdress

Name Lepke fejdísz ('butterfly headdress')

Brand Unknown

Type / number of model PG-LEPF

Batch number 5999555720721

Product description A pink headdress decorated with feathers, wings and antennae. The headdress is similar to a butterfly. Packaging: transparent plastic bag.

Risk type Burns

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of burns due to the high flammability of the antennae of the headpiece. If the child wears the headpiece and it catches fire, the child may burn mostly on the face and the upper parts of the head. The product does not comply with the Toy Safety Directive and the relevant European standard EN 71-2.

Product Children's jacket

Name Unknown

Brand Qifeng

Type / number of model 5027B

Batch number Unknown

Product description Green, white and orange jacket for children, with hood. The sizes are: 122-128.

Risk type Injuries
Strangulation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of strangulation due to the presence of drawstrings in the hood, with knots and toggles on the ends. The cord is elastic: if a child pulls it, the toggles may spring back into the eyes and face causing injuries. The product does not comply with the relevant European standard EN 14682.
