Product Van

Name Citan

Brand Mercedes-Benz

EC-type approval/model Type: 415 EC type approvals: e2*2007/46*0129*, e2*2007/46*0130*

Production dates The vehicles affected are those manufactured from September 2012 to May 2013.

Product description Passenger vehicle / van

Risk type Injuries

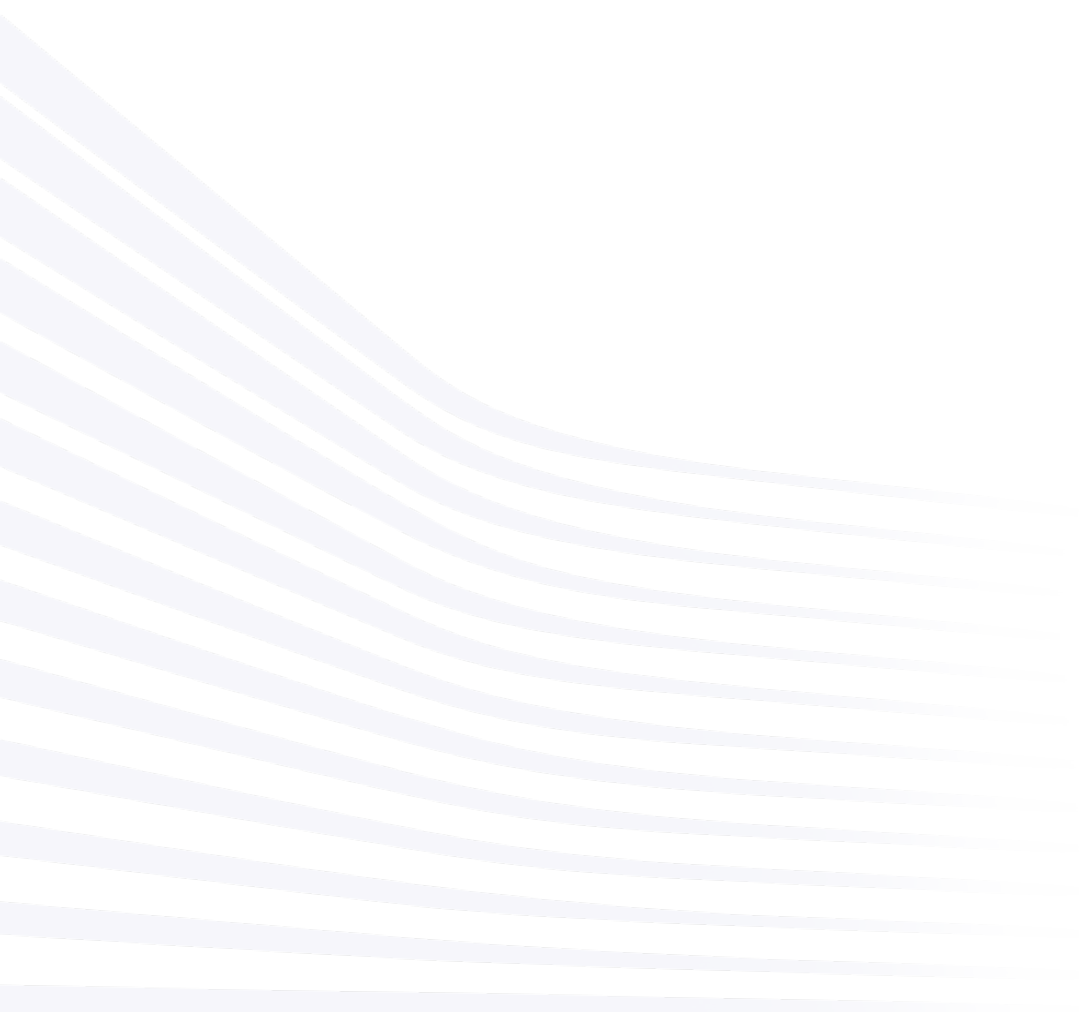

Legal provisions (at EU level) and European standards against which the product was tested and did not comply Because of an assembly error, the brake lines on the Electronic Stability Programme (ESP) unit may have been wrongly installed. In an emergency stop, this can lead to insufficient front axle braking with locked rear axle brakes, insufficient rear axle braking with locked front axle brakes and increased oversteering or understeering. This can undermine the traction control system (TCS).

Product Children's snorkel

Name Swim snorkel

Brand EXIS

Type / number of model Item No.:139Y

Batch number 8427582013112

Product description Blue plastic swim snorkel for children with black mouthpiece and pink top. Packaging: plastic colourless transparent bag, with blue-white dolphins and a blue cardboard label.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a chemical risk because its mouthpiece contains di-(2-ethylhexyl) phthalate (DEHP) above the permitted level (measured value up to 3.1% by weight) and di-'isononyl' phthalate (DINP) (measured values: 42.9 % by weight). According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles, while phthalates DINP, DIDP and DNOP are prohibited in toys or childcare articles that can be placed in the mouth by children.
