Product Robot lawnmower

Name Robot Lawn Mower

Brand Biltema

Type / number of model LMR24 (L600, N600, C600)

Batch number Unknown

Product description Robotic lawnmower

Risk type Cuts

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The blades of the robotic lawnmower are easily accessible and a person in the line of movement of the lawnmower could receive cuts. In addition, the blades have insufficient strength and could detach at high speed causing cuts to a person nearby. The product does not comply with the requirements of the Machinery Directive and the relevant European standard EN 60335.

Product Remote control handset

Name 7C 2.4GHz Programming for Airplane and Helicopter Models

Brand Futaba

Type / number of model Model: 7C-2.4GHz FF7. Charger part no: P-FBC30D/4

Batch number Bar code R/C handset:4 513886 015724. Bar code charger: 5028967317721

Product description Remote control handset for airplane and helicopter models supplied with mains charger for handset.

Risk type Electric shock
Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The pins of the charger are too thick. As a result, excessive force is required to insert and removed the adaptor from the mains socket. This could cause damage to the socket or the charger and expose live parts resulting in electric shock and/or fire. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60950 and the relevant national standard BS 1363.

Production dates	Affects all 2010-2014 model year Chevrolet Camaro vehicles.
Product description	Passenger car.
Risk type	Injuries
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The driver may bump the ignition key with his or her knee and unintentionally move the key away from the “run” position. If this occurs, engine power, and power braking will be affected and power steering may be affected, increasing the risk of a crash. In the event of a crash, the timing of the key movement out of the “run” position, relative to the activation of the sensing algorithm of the crash event, may result in the airbags not deploying, increasing the potential for occupant injury.

Risk type Electric shock
Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply Live parts of the LED panel and the device connector terminal sockets are easily accessible. The cross-sectional area of the cores of the internal wires is too small and in case of a short-circuit the internal wires may overheat. The plastic part near the pins is not sufficiently resistant to heat and fire and may therefore catch fire. The product does not comply with the requirements of the Low Voltage Directive and the relevant

standard EN 60598.

Product Fancy-dress mask

Name Csuklyás gumi álarc ('Hooded rubber mask')

Brand Unknown

Type / number of model PG-CSGA

Batch number 5999555720820

Product description Terrifying face mask, covering the entire head and neck, with hair made of gauze and grey plastic at the front and black polyester fabric at the back.

Risk type Burns

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of burns due to the high flammability of the gauze hair. If the child wears the mask and it catches fire, the child could suffer burns. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-2.

Product Plastic doll

Name Unknown

Brand Wan Ju

Type / number of model T 004705

Batch number 6 9 00000 047057

Product description Plastic doll dressed in a colourful dress with pink hair and handbag. Packaging: a plastic bag.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a chemical risk because the head of the doll contains 33 % by weight of di-(2-ethylhexyl) phthalate (DEHP). This phthalate is toxic and harmful for the health of children, causing possible damage of the reproductive system. According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles.

Product Girls' sweatshirt

Name Unknown

Brand Grace

Type / number of model WT9109

Batch number 5999011591094

Product description Black and white striped sweatshirt with hood and zip-fastener. The product is decorated with a bear, rhinestones, a ribbon and an inscription: „Girl Chic ". The waist area of the sweater includes an unattached drawstring with knots and metal toggles on the ends. Size: 110-122.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries because of the presence of unattached drawstrings with knots and toggles in the waist area. The product does not comply with the requirements of the relevant European standard EN 14682.

Product Rattle set

Name Enlighten series

Brand Beilekona

Type / number of model No. 8316

Batch number 8787872282230

Product description Baby's rattle set comprising ten rattles. The set is packed in a cardboard box with a transparent window.

Risk type Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply There is a choking hazard because the rattles can easily break, releasing small parts which can easily be swallowed by small children. The product does not comply with the requirements of the Toy Safety Directive and the relevant European Standard EN 71-1.

Product Toy ironing board

Name Magical Iron Board

Brand Unknown

Type / number of model No. 891

Batch number 8810012102805

Product description Toy ironing board supplied in a cardboard box.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The ironing board can easily collapse, thus posing a risk of injuries due to entrapment, mainly of fingers, between moving parts. The product does not comply with the requirements of the Toy Safety Directive and the relevant European Standard EN 71-1.
