Product description

Mains powered (230V) table lamp in the shape of an animal: dog, panda, rabbit or bear. Supplied in a cardboard box.

Risk type

Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The table lamp is directly connected to the mains without a transformer. The lampshade (the head of the animal) can be easily removed by hand. A child could thus take out the bulb and touch the live lamp-holder and receive an electric shock. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Product description

A plush teddy bear filled with small, expanded polystyrene beads.

Risk type

Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

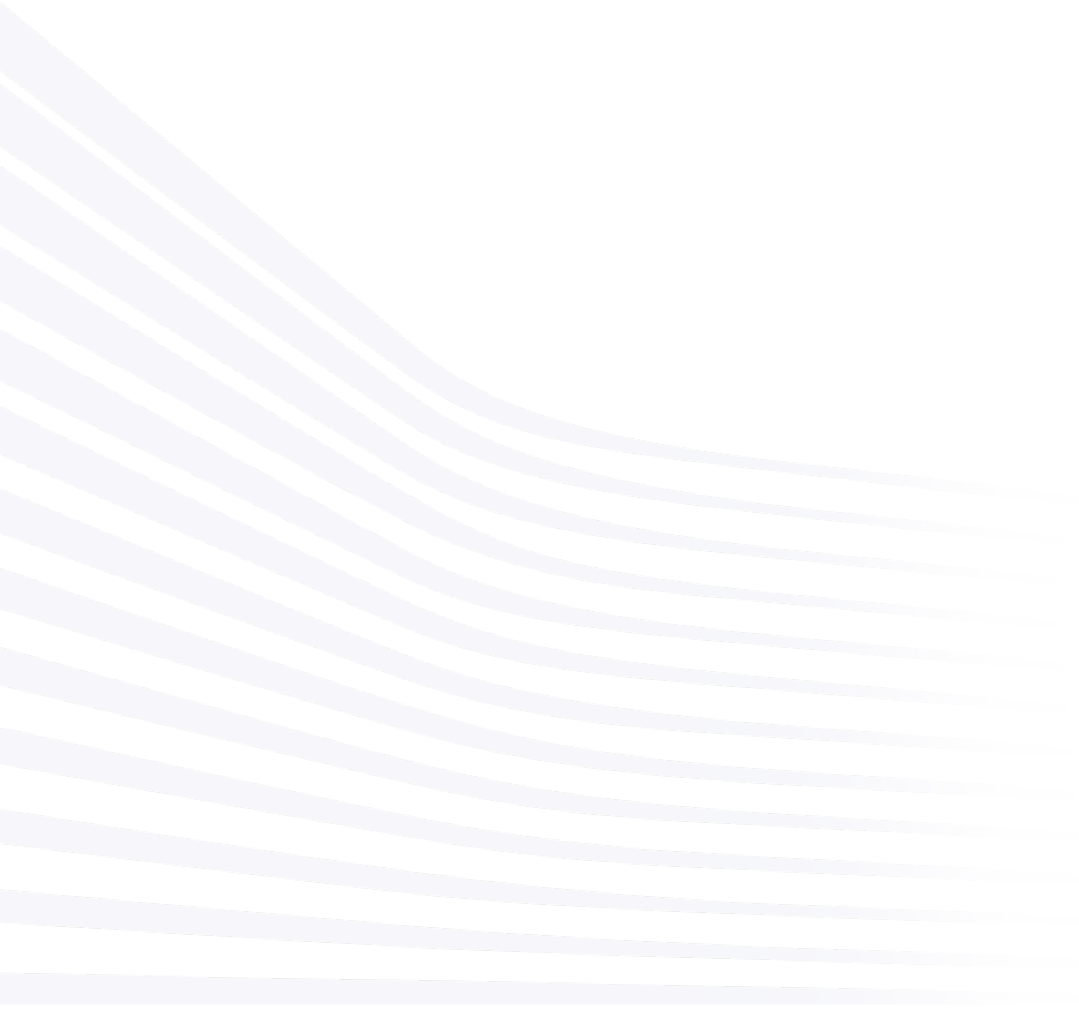

The eye of the bear comes loose under a low force and, as a consequence, the stuffing of expanded polystyrene beads comes out. The eye and the beads are thus easily accessible for a child who could put them in his/her mouth causing obstruction of the airways. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Product description **Lighting chain with 100 blue LED lamps. Packaging: colourful cardboard box.**

Risk type **Electric shock
Fire**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The cross-sectional area of the external and internal wires is too small and the wires could overheat. The dimensions of the plug are substantially less than required. The wire ends soldered to the terminals of the flashing unit and the LEDs are not adequately protected against pulling and twisting. The accessible basic insulated wires can come into contact with sharp edges of the flashing switch and control unit. The insulation provided by the shrink tubing for the bulbs is inadequate. The product is not protected against moisture but is recommended for outdoor use. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Rechargeable torch

Name

Unknown

Brand

GD-LIGHT

Type / number of model

GD-612LX

Batch number

6 950574 061256

Product description

Rechargeable torch with 15 LEDs. The housing is made of yellow plastic, with a black operating button and a green charge indicator lamp. The battery can be charged via the built-in plug with telescopic pins. Two plug adapters are supplied with the product. Packaging: cardboard box.

Risk type

**Electric shock
Fire**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The pins of the built-in plug and plug adapters do not have an insulating collar, so when inserting the plug the user may touch the live pins. The plug adapter allows single-pole insertion of a plug, leaving the remaining free live pin accessible. The cover for the LEDs can be removed by hand during charging, leaving live parts accessible. The cross-section area of the core of the wires is less than required: in case of a short circuit the wires may overheat and can cause a fire. The heat and flame resistance of the insulating material that hold the pins of the built-in plug in

position is not sufficient. The product does not comply with the requirements of the Low Voltage Directive and the relevant standards EN 60598 and IEC 60884.

Product description **Lighter with a picture of a jumping woman**

Risk type **Burns
Fire
Injuries**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The lighter is not sufficiently shock resistant, and gas may leak. The gas leak may cause the lighter to explode. Moreover, the quantity of gas in the fuel tank is too high and the lighter may explode if exposed to high temperatures. An explosion may cause injuries and burns or generate a fire. The product does not comply with the relevant European standard EN 9994.

Country of origin **People's Republic of China**
