Notifying country Czechia

Product category Childcare articles and children's equipment

Type Consumer

Product High chair

Name Unknown

Brand Klupš

Type / number of model Anežka 1 (Agnieszka 1)

Batch number Unknown

Product description A wooden high chair supplied with a wooden table, which can be combined or used separately. The seat and the back of the chair are covered with washable material. A wooden tray is firmly attached to the wooden structure of the chair.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The high chair is not sufficiently stable. If a child pushes his feet against, for example, the table, the high chair can tip over backwards and the child may fall. The product does not comply with the relevant European standard EN 14988-1.

Product Mitre saw

Name Mitre Saw

Brand Stayer

Type / number of model SC251W

Batch number 8427648150416

Product description Combined mitre and bench saw. Cardboard packaging, dimensions 60 x 40 x 60 cm.

Risk type Cuts

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The instructions for use are incomplete, therefore the user is not aware of the dangers of working with a combined mitre and bench saw while in the mitre saw position. The user can touch the saw blade while the saw is still running because the blade protector does not protect the blade completely. The product does not comply with the requirements of the Machinery Directive and the relevant European standard EN 61029-2.
